Making Public Records Requests:

4. Any person may make a public records request:

- a. In person at 78 Main Street, Hudson, MA. 01749
- b. By first class mail addressed to the RAO at the RAO's business address set forth above or
- c. By facsimile addressed to the RAO at the business facsimile number set forth above; or
- d. By e-mail addressed to the RAO at the e-mail address set forth above.

5. Requests encouraged to be written. Although not required, it is strongly encouraged that the public records requests be in writing to ensure the most efficient and accurate response. All written public records requests, including via email and facsimile, shall be addressed/directed to an RAO, and contain the requester's name and contact information, so that the RAO is able to provide the required response.

6. Contact Information. Individuals making in-person requests will not be requested or required to give their names or contact information. For in-person request that require additional time for a comprehensive response, requests will be advised to check in periodically with the RAO or department from which records are sought, or requests may voluntarily provide contact information. Voluntary Public Records Request Forms shall be available in all municipal offices.

The RAO may contact the requester in order to clarify the request, provided however that a RAO may not ask the requester what they intend to use the requested records for, but shall seek to utilize the

RAO's superior knowledge of the requested record to ensure that the requester and the RAO understand what is being requested and/or to assist the requester in narrowing or refining request.

7. Receipt of Request. Written request during normal business hours, as stated in section 1, will be considered received on that date. Written receipt sent via email or facsimile after normal business hours shall not be considered received until the following business day. Business days shall not include Saturdays, Sundays, or legal holidays.

Response to Public Records requests:

8. If fees are assessed, a written estimate of the same will be provided to the Requester.

9. If a full response cannot be made in 10 business days of receipt of the request, the RAO or designee will respond to the requester in writing, explaining the anticipated time frame for complete response; identifying records which the town does not have in its custody, identifying any records that the town does not expect will be provided, or that will be redacted, specifying the relevant exemptions and its application to the requested record or portion thereof; providing good faith fee estimate and including a statement of appeal rights.

10. The Town of Hudson maintains a searchable website at <https://www.townofhudson.org> where certain public records are available for inspection, downloading and printing. If a request seeks documents publicly available on the Town's website, the requester will be directed to the website, unless the requester does not have the ability to receive or access the records in a usable electronic form.

11. To the extent feasible, the RAO or designee will provide public records in response to a request electronically if able to and in a format that the requester preferred.

12. Request for records to be mailed, the requester will be charged the actual cost of postage, using the least expensive form of mailing possible, unless requester agrees to pay an expedited cost and the cost is paid in advance.

13. Town of Hudson is only required to provide records that are in existence at the time of request and is not required to create a new record to accommodate a specific request.

14. Town of Hudson is not required to answer questions in response to a public record request.

Fees:

14. In some circumstances, the TOWN may assess a reasonable fee for the production of public records.

15. Permissible charges include, but are not limited to:

- a. Five cents (\$0.05) per page of black and white printouts or copies;
- b. Actual cost for storage devices or materials such as CDs or thumb/flash drives;
- c. Actual cost for duplication of records not susceptible to ordinary means of reproduction, such as color copies and large format plans;
- d. Postage fees (where applicable; see paragraph 15, above); and

e. Fees for employee time required to satisfy a public records request (see paragraph 16 below).

No copying fee will be charged for records provided in electronic form.

16. A fee may be charged for employee time necessary to identify, locate, and compile the records requested. A fee may also be charged for employee time necessary to review, and, as applicable, segregate and/or redact information exempt from public disclosure. The hourly rate for such fees shall be the hourly rate of the lowest paid employee capable of performing the task, provided, however, that this hourly rate shall not exceed twenty-five dollars (\$25.00) per hour, unless the TOWN has obtained the approval of the State Supervisor of Public Records to charge a higher hourly rate. Depending upon the nature of the request, different rates may be charged for different types of work (i.e., a different hourly rate for search time and a different hourly rate for segregation/redaction time).

Exception for hourly rate: Population less than 20,000, as of the 2010 Decennial Census, Hudson had 19,063 residents (https://factfinder.census.gov/faces/nav/jsf/pages/community_facts.xhtml); therefore, the Town of Hudson may assess fees for all employee time, including the first two hours.

17. Fee limitations may not apply when a request for records is for a commercial purpose as determined by the Commonwealth's Supervisor of Records.

18. In certain circumstances, the TOWN may petition the Supervisor of Public Records for permission to assess fees for employee time at a rate in excess of \$25.00 per hour.

19. The RAO may access a reasonable fee for the production of a public record, except records that are freely available for public inspection (see 950CMR 32.08); and pursuant to MGL Chapter 66, Section 10(a) (iii), the RAO may require the payment of the reasonable fee prior to the requested records

You may also refer to the Municipal Records Retention Schedule, issued by the Supervisor of Public Records: https://www.sec.state.ma.us/arc/arcpdf/Municipal_Retention_Schedule_20161109.pdf, which schedule identifies various categories of records maintained by municipal departments and so-called "records in common".

21. Appeals:

22. If a requester wishes to assert a claim that they have been denied access to public records, they may appeal the RAO's determination to the Supervisor of Records pursuant to 950 CMR 32.08(1). The Supervisor shall make a final determination on the appeal within ten (10) business days of receipt.
