Re: Special Town Meeting – Article #2 – Prior Year Bills

As you are aware, G.L., Chapter 44, Section 64, requires that a bill of prior year, that is, an invoice received after the Town closes its books for the fiscal year, must be presented to Town Meeting for authorization to pay with current year funds.

The chart below shows the various invoices and their respective amounts:

Invoice	Amount
Community Advocate Advertisement 4/19/24 (Traffic Rules & Regulations)	\$134.75
American Family Care (Pre-Employment Physicals - Sept 2022 & Nov 2023)	\$2,165.00
Various Police Department unpaid invoices (Mar 2022 - Dec 2022)	\$595.00
TOTAL:	\$2,894.75

I am recommending that these bills of prior year be processed and paid by appropriating current year funds from the respective departments.

Payment of these funds will not have any tax implications for FY2025.

Because these bills of prior year are being presented to a Special Town Meeting, a 9/10ths vote is required for passage.

As always, I am available to answer any questions.
