5. Citizens' Issues:

- a) Brian O'Neill to meet with Selectmen regarding Eversource/DCR Project.

Brian O'Neill, 31 Parmenter Road citing his concerns for DCR's involvement in the Eversource energy preferred route. DCR would like to turn the utility corridor into a bike path. There was a public discussion in which the consensus of the residents present was that they were not interested in this due to the destruction of sensitive environmental land. He asked the Board if they feel as though DCR has done enough public outreach regarding their bike path.

Mr. O'Neill asked if the Town has been able to recoup any of the funds expended on the Cranberry Well filtration plant. Mr. Durant stated that the Town has recouped the entire cost. Mr. Moses added that the vast majority, well over \$1.5 million was paid by a coalition comprised of Boyd Coating, Precision Coating and the land lord.

Mr. O'Neill's final question was in regards to a letter sent from MassDEP about culverts along the MBTA right of way. It is an old cement pipe that runs along the old MBTA. It is in horrible disrepair and Eversource says they will not be addressing this issue. He asked if the Board has the ability to press Eversource and VHB on addressing and replacing these culvert pipes. Ms. Helinek stated that the Conservation Commission is currently negotiating the culverts as DEP has suggested they be upgraded. Eversource and VHB pushed back but this is still under negotiation.
