7. General:

- a) Selectmen to consider voting to seek a special act to allow an employment contract for the Director of Public Works in Hudson.

This item was on the agenda last week and tabled to this week as the Board needed clarification on whether this needs town meeting action. It does.

Mr. Moses informed the Board that he has the final wording for the legislation from Rep Hogan's Office.

Mr. Lucy stated that he is against this item for two fundamental reasons (can be seen in the minutes of 08/17/20). He stated that the Board of Selectmen set policy and is against this as it seeks to amend the Town Charter.

On a motion by Mr. Durant, seconded by Mr. Parent, the Board voted 4-0-1 by roll call to authorize the Executive Assistant to create a warrant article for the November Town Meeting. Mr. Lucy opposed.

8. Citizens' Issues:

Shawn Sadowski spoke in regard to sidewalk/outdoor dining. He noted that the dining outside of Welly's has three tables that are located very close to the crosswalk as well as having the hostess standing at the crosswalk. He contacted Mr. Moses and Ms. Calo and they helped to get these issues addressed. However this afternoon he noticed "No Trespassing" signs on the public sidewalk. He asked if the wording could be changed. Mr. Moses will speak to the owners regarding the signs.

Mr. Quinn recused himself from the discussion.

Lorene Jean, Hudson Arts & Framing, noted that she was not aware that there would be trees being planted in front of her store, she thought that only bushes were being proposed. She stated that now that the tree has been planted she will just have to wait

*and see. She stated that they are further away from her shop than she first thought.
Mr. Quinn returned to the Board.*
