

The Summary of Benefits and Coverage (SBC) document will help you choose a health plan. The SBC shows you how you and the plan would share the cost for covered health care services. **NOTE: Information about the cost of this plan (called the premium) will be provided separately. This is only a summary.** For more information about your coverage, or to get a copy of the complete terms of coverage, see www.townofhudson.org.

For general definitions of common terms, such as allowed amount, balance billing, coinsurance, copayment, deductible, provider, or other underlined terms see the Glossary. You can view the Glossary at bluecrossma.com/sbcglossary or call 1-800-932-8323 to request a copy.

Important Questions	Answers	Why This Matters:
What is the overall <u>deductible</u>?	\$0 PCP / <u>Plan</u> -Approved; \$250 member / \$500 family Self-Referred.	Generally, you must pay all of the costs from <u>providers</u> up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. If you have other family members on the <u>plan</u> , each family member must meet their own individual <u>deductible</u> until the total amount of <u>deductible</u> expenses paid by all family members meets the overall family <u>deductible</u> .
Are there services covered before you meet your <u>deductible</u>?	Yes. Emergency room and emergency transportation.	This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply.
Are there other <u>deductibles</u> for specific services?	No.	You don't have to meet <u>deductibles</u> for specific services.
What is the <u>out-of-pocket limit</u> for this <u>plan</u>?	\$0 PCP / <u>Plan</u> -Approved; \$1,000 member / \$2,000 family for Self-Referred.	The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u> , they have to meet their own <u>out-of-pocket limits</u> until the overall family <u>out-of-pocket limit</u> has been met.
What is not included in the <u>out-of-pocket limit</u>?	<u>Deductible</u> , <u>copayments</u> for Self-Referred, <u>premiums</u> , <u>balance-billing</u> charges, and health care this <u>plan</u> doesn't cover.	Even though you pay these expenses, they don't count toward the <u>out-of-pocket limit</u> .
Will you pay less if you use a <u>network provider</u>?	Yes. See bluecrossma.com/findadoctor or call the Member Service number on your ID card for a list of <u>network providers</u> .	This <u>plan</u> uses a <u>provider network</u> . You will pay less if you use a <u>provider</u> in the <u>plan's network</u> . You will pay the most if you use an <u>out-of-network provider</u> , and you might receive a bill from a <u>provider</u> for the difference between the <u>provider's</u> charge and what your <u>plan</u> pays (<u>balance billing</u>). Be aware, your <u>network provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services.
Do you need a <u>referral</u> to see a <u>specialist</u>?	Yes, PCP / <u>Plan</u> -Approved level of benefits only.	This <u>plan</u> will pay some or all of the costs to see a <u>specialist</u> for covered services but only if you have a <u>referral</u> before you see the <u>specialist</u> .

All **copayment** and **coinsurance** costs shown in this chart are after your **deductible** has been met, if a **deductible** applies.

MASSACHUSETTS

MCC Compliance

This health plan meets Minimum Creditable Coverage Standards for Massachusetts residents that went into effect January 1, 2014, as part of the Massachusetts Health Care Reform Law.

MASSACHUSETTS

Grandfather Status

The Plan Sponsor believes that this is a “grandfathered health plan” under the Patient Protection and Affordable Care Act (the Act). As permitted by the Act, a grandfathered plan can preserve certain basic health coverage that was already in effect when that law was enacted. Being grandfathered means the plan may not include certain consumer protections of the Act that apply to other plans, such as providing preventive health services without any cost sharing. However, a grandfathered plan must comply with certain other consumer protections of the Act, such as the elimination of annual and lifetime limits on most benefits.

Questions about which protections do or do not apply, and what causes a plan to change from grandfathered health plan status, can be directed to the Plan Administrator at **1-978-568-9615**. You may also contact the Employee Benefits Security Administration, U.S. Department of Labor at **1-866-444-3272** or **www.dol.gov/ebsa/healthreform**. This website has a summary of the protections which do and do not apply to grandfathered health plans.
