

Please join us at the 2019 Hudson Farmers Market!

Tuesdays June 18-Sept 24 (except for July 2)

3:30-6:30

In front of Town Hall

The 2019 Farmers Market will feature both new and returning vendors. In addition to abundant fruits and vegetables, this year's market offers locally sourced meat, cheese, milk, eggs, wine, pasta, soap, honey, greeting cards, preserves, pickles, and sweet and savory baked goods. Due to a generous grant from the Hudson Cultural Council, this year's program will also bring back Market Music! Note that the Market will move next door to the Unitarian Church when construction begins at Town Hall.
