May 10, 2021

Dear Hudson Veterans & Residents,

As we move forward towards an end of the Covid19 Pandemic we are once again planning events such as Memorial Day Ceremonies. While we were unable to hold any events last year, this year we will hold a small ceremony only (No Parade) in front of Town Hall.

The decision to not have a parade was based on the lack of available and willing participants. We will however honor those who served and died in defense of our nation. We will also be honoring the frontline workers and essential personnel that have continued to work through the pandemic and kept us all as safe as possible. To those workers we owe an eternal debt of gratitude.

We ask that the Hudson community join us in front of Town Hall on Monday, May 31, 2021 at 10AM as we pay our respects to our fellow Hudson citizens. Please ensure that you remain vigilant with appropriate spacing.

We value your support of Memorial Day and hope to maintain this tradition in future years with parades, ceremonies, and honors.

Stay Safe and Be Well!

Sincerely,

Brian Stearns

Brian Stearns, Director
Hudson Veteran Services
