RE: Broad Street Paving

Our contractor will begin paving Broad Street on Saturday, November 2nd at 7:00 a.m. Broad Street will be paved from Main Street to Wheeler Road.

Vehicular access to homes and businesses will need to be carefully planned, as once asphalt is laid, it needs one hour to dry before allowing vehicular access. **No cars will be allowed to cross freshly laid pavement – plan appointments and commitments accordingly.**

Expect significant delays and seek alternate routes where possible.

If you have any questions, please call the office.
