2. A copy of the insurance coverage for each vehicle.
3. A signed Statement of Non-collusion, signed under the penalties of perjury.
State antitrust laws forbid collusion among bidders to fix prices. (Included in bid document)

5. A signed Corporate Vote, if applicable. (included in bid document)
6. Documentation for DOT, Drug and Alcohol Testing Program.

We intend to ask the Board of Selectmen to award contracts at their November 4, 2019 meeting. Failure to submit all required documents could result in delays to the awarding of some contracts.

Please return your bids by 10:00 a.m. on Wednesday, October 30, 2019. If you have decided that you will not be plowing for the town this year, please call this office and let us know. If you have an additional vehicle that you would like to add this year, please let us know so that we can send you additional bid documents. Each vehicle whether primary or backup needs to have its own set of bid documents. **DO NOT LIST TWO VEHICLES ON THE SAME BID SHEET.** The sooner we know how many vehicles will be available, the sooner we can set this year's plow routes.

If you have any questions, please don't hesitate to call us at 978-562-9333.
Thank you.
