FY2025 Budget Message – Fiscal Projection #1

Dear Mr. Duplisea and Mr. Calandra:

Pursuant to Section 6-2 of the Charter of the Town of Hudson, enclosed herewith is my recommended budget for the Fiscal Year beginning on July 1, 2024 and concluding on June 30, 2025. Compared to the FY2024 budget approved at the Annual Town Meeting, general fund expenditures for the Town are projected to increase in FY2025 by 2.95% or \$2,770,226.

Introduction

The economy in 2023 was largely sustained by a strong labor market and sustained consumer spending, in spite of soaring prices and interest rates. U.S. employers added 336,000 jobs in September 2023 which is about twice as many as forecasters were expecting.¹ And, while inflation has moderated since the highs of 2022, pent up demand from the COVID lockdowns is continuing to influence consumer spending. During the pandemic, consumers accumulated \$2.1 trillion in excess savings; as of June 2023, consumers spent \$1.9 trillion of it, according to recent data from the San Francisco Federal Reserve.² The national trend in consumer spending has played out at the local level with sustained strong meals excise tax revenue in recent years. It remains to be seen, however, how long this trend in consumer spending can continue, especially in light of the increased debt that Americans have taken on in the past couple of years.

In the housing sector, there continues to be strong demand in Hudson and in the region but with limited supply. The certified FY2024 new growth figure of \$843,077 is largely derived by \$21,502,000 in new residential assessed value that was captured last year. There are projects

² <https://www.frbsf.org/our-district/about/sf-fed-blog/excess-no-more-dwindling-pandemic-savings/>

in the pipeline as well. A 22-lot single family subdivision on Old County Road and a 14-lot single family subdivision on River Road East are both currently under construction. Housing costs, however, are the highest in 40 years. It now takes nearly 41% of the median household monthly income to afford the payments on a median-priced home, according to research from Intercontinental Exchange (ICE).³ The median home price over the past two years has ranged from roughly 5½ to 6 times the median income - \$445,567 as of October 2023. The average single-family house value in Hudson increased this year by over 11% to \$555,573. In Massachusetts, the rising cost of living, limited supply of housing, and an influx of migrant families are all contributing factors to the state's housing crisis. (The ongoing statewide migrant / homeless families issue and its impact in Hudson will be addressed later in this budget message).

This FY2025 budget filing presents a balanced spending plan which is conservative in its revenue assumptions. It aims to identify resources to maintain level services in municipal departments. I have asked department heads to prepare budget requests for FY2025 which reflect the necessary increases to maintain level services and which anticipate the expected increases in costs for these services. On the personnel side, I am recommending a 2% general wage adjustment for the non-union employee group. There are no new municipal positions being recommended for FY2025. FY2025 represents the final fiscal year for collective bargaining agreements currently in place with most unions. With the Firefighters agreement set to expire on June 30, 2024, negotiations for a successor agreement commenced in October with anticipation of reaching agreement in time for funding at the Annual Town Meeting next May.

I note that, subject to approval by the Board of Assessors, I am recommending the use of approximately \$261,000 in Overlay Surplus, to balance the FY2025 budget (or potentially a combination of Overlay Surplus and Free Cash). With the establishment of the enterprise funds in FY2024, it is now clear that water and sewer revenue has been subsidizing the general fund. The "cushion" that these revenue sources provided in the general fund is now gone and the reduction in local receipts revenue is putting considerable pressure on other revenue sources, primarily the levy, to fund municipal operations. In the coming months as the budget picture becomes clearer, I will be looking to close this deficit, if only partly, by adjusting other revenue categories.

Before beginning an analysis of the proposed FY2025 budget, I would like to highlight some of the investments currently underway in critical municipal infrastructure. I first note that the federal American Recovery Plan Act (ARPA) dollars are continuing to support the projects initially approved by the Select Board in 2022. Hudson's direct ARPA allocation was \$5,937,485. As of November 2023, \$1,877,698, or 32%, has been spent. Per federal legislation, these funds must be obligated by December 31, 2024 and fully expended by December 31, 2026. I also note

that any unspent dollars from completed projects will be reprogrammed at a future date by vote of the Select Board.

Below is a summary of some of the important projects currently in Hudson:

- Upgrade to Municipal Finance Platform – At the Special Town Meeting in November, voters authorized a transfer of \$1,210,000 from the Stabilization Fund to begin the process of replacing the current outdated, fragmented, and inefficient municipal finance platform with MUNIS, a New-England based company backed by a large national firm, Tyler Technologies. This is a long-standing request that will benefit all municipal departments including the school department. I will be recommending that the Stabilization Fund be replenished in May with Free Cash funds.
- Additional IT Upgrades – In May of 2023, Town Meeting authorized a capital project of \$154,562 to fund improved IT capacity and a server replacement at the Police Station. Also approved in May were funds to update the uninterruptable power supply (UPS) that supports the Town Hall server, a project intended to improve automated backup electric power during an outage. The upgrades reflect a renewed effort in recent years to properly maintain the Town’s IT infrastructure. Additional upgrades will be requested in May.
- Brigham Street Culvert Restoration – In FY2023, the Select Board approved reprogramming \$246,000 in surplus ARPA funds left over from the Main and Houghton Streets culvert replacement project so that a feasibility study could be performed on the Brigham Street culvert and design funds allocated. And in November, Town Meeting authorized a \$1.2M borrowing to fund the full reconstruction of this critical culvert. The debt service for this project will be paid via Stormwater Enterprise Fund receipts. Below are pictures of the current culvert and the closed section of Brigham Street:

- New DPW Operations Facility – In May, Town Meeting authorized and then the voters approved, a debt exclusion to borrow \$23,975,884 to fund the design, permitting, and construction of a new DPW operations facility at 1 Municipal Drive. This new facility will replace several existing structures built in the 1960s which have long surpassed their useful life and no longer properly support the department’s operations. In 2023, the Select Board authorized two important contracts related to this project: a contract with Construction Monitoring Services for Owners Project Management (OPM) services, and a contract with Helene Karl Architects for full design services. Bidding is expected to occur during the winter with construction to commence in the spring. Below is a rendering of the new facility:

- Fire Headquarters Renovations – In November of 2022, Town Meeting authorized a \$1.12M borrowing to fund building renovations to Fire Headquarters. The planned renovations include new overhead doors to the apparatus bay, a new composite roof, and new rooftop air handling units. In 2023, the Select Board awarded a contract for full design services to Context Architecture. In October of 2023, the overhead door replacement component was separated out of the project and bid separately to address ongoing mechanical problems with the current overhead doors. The other components of the project will go out to bid next spring.
- Library Feasibility Study – The Hudson Public Library is applying for a Massachusetts Public Library Construction Program grant offered through the Massachusetts Board of Library Commissioners. Eligibility for this grant requires the completion of pre-planning

and design phases including the submission of a Library Building Program. To accomplish these activities, in October 2023, the Select Board authorized a \$29,950 contract to the library consulting firm Re-Thinking Libraries. The Select Board also authorized a design services contract for \$29,900 to Sorensen Architects & Planners for the purpose of completing a conditions assessment of the existing library which would generate a Library Building Program. These contracts were funded using ARPA dollars allocated to the Library. Additional design funds have been requested to serve as the Town’s match in the grant application process.

General Fund Revenue Overview

General Fund revenue to the Town consists of four (4) distinct categories: property tax, state aid, local receipts, and available funds. A detailed analysis of each of these revenue categories is provided in this section. The chart below shows total projected General Fund revenue for FY2025:

State Aid (Cherry Sheet)

Revenue that communities receive each year from the Commonwealth is documented on what is called the Cherry Sheet. This is the name of the official notification from the Commissioner of Revenue which informs cities and towns of the estimated receipts from the Commonwealth for categories such as Unrestricted General Government Aid (UGGA), Education Aid (Chapter 70), and other state-determined revenue categories. In addition to documenting estimated receipts, the Cherry Sheet also documents estimated charges which informs cities and towns of anticipated intergovernmental charges, such as charges for regional transit and charter school tuition assessments.

Additionally, there are offset items on the Cherry Sheet which constitute categorical aid, i.e., funding that must be spent for specific municipal or educational purposes. Hudson's Cherry Sheet contains two (2) offset items, school choice receiving tuition and public libraries. Because these dollars are reserved for direct expenditure by the specific departments, they cannot be classified as general available revenue. As a result, the amounts for these offsets included within the state aid estimate are shown both in the revenue section and in the non-appropriated expense section of the Town's annual operating budget for the upcoming fiscal year.

Cherry Sheet revenue for FY2025 is projected to represent approximately 19% of General Fund revenue. The table below shows final Cherry Sheet receipts and charges for the Town for the period from FY2020 to FY2024:

The \$56B state budget signed by the Governor on August 9, 2023 increased unrestricted general government aid by 3.2% over FY2023 and increased Chapter 70 education aid by \$603M. Unrestricted general government aid for Hudson increased by \$73,919, and more significantly, Chapter 70 funding for Hudson increased by \$756,221 over the prior year, representing the largest increase to the Town in many years. The Chapter 70 increase allowed the school department's appropriation to increase by 4.19% over the FY2023 appropriation, representing the largest year-over-year percentage increase in at least the last decade. The FY2024 state budget also commits to fund the Student Opportunity Act⁴ according to the originally intended schedule, and creates a spending plan for the \$1B in anticipated revenue from the voter-approved surtax on annual incomes over \$1M.

⁴ The Student Opportunity Act (Ch. 132 of the Acts of 2019) was enacted to try to close gaps in student experiences and outcomes. It also updates the foundation budget which specifies for each district the minimum level of education spending required to adequately educate a district's students.

It is still very early to predict how the Governor and legislature will approach state aid for FY2025. Data released in November by the Department of Revenue showed that the Commonwealth collected \$2.55B in tax revenue in October, which was \$196M, or 8.3%, more than was collected in October 2022. But that was still \$186M, or 6.8%, below the monthly revenue benchmark.⁵ Year-to-date state tax collections for FY2024 as of November 3rd totaled approximately \$11.84B, which is 2.9% less than the year-to-date benchmark. Nevertheless, the Massachusetts economy still continues to perform well in comparison to the national economy. Massachusetts' real gross domestic product increased at a 4% annualized rate in the second quarter of 2023 compared with 2.4% for the United States GDP.⁶

As previously documented in prior year budget messages, the charter school enrollment trend continues to have a significant impact on the Town's finances, and this trend is again anticipated in the FY2025 budget. The Town receives charter school tuition reimbursement each year and the Cherry Sheet estimates are derived from projecting upcoming school year enrollment and tuition rates from data collected in March of the current fiscal year. The Town is also assessed each year for the tuition costs for students attending charter schools. There was some good news with respect to the final FY2024 charter school tuition assessment which increased by a modest 4.1% compared to increases of 16.% in FY2022 and 15.2% in FY2023.

Another significant charge on the Cherry Sheet is health insurance premiums for retired teachers. In FY2024, this figure was \$1,539,597. It represents the amount the Town is assessed each year by the state's Group Insurance Commission (GIC) which pays the health and life insurance premiums on behalf of retired Hudson teachers. The state pays 85% of these premiums and the GIC then assesses the Town for the employer's share of the premium. The annual increase in these premiums is determined exclusively by the GIC. Hudson is one of only five (5) communities in the Commonwealth whose retired teachers are enrolled in the GIC. This charge also represents a significant share of the annual cost associated with the provision Other Post-Employment Benefits (OPEB) to municipal retirees. The Town's unfunded OPEB liability and funding strategy will be presented later in this budget message.

Because the Cherry Sheet documents revenue as well as charges and assessments to municipalities, it is important to look at the net impact to the Town. The chart below shows that while gross aid to the Town in recent years generally increases at a modest rate, the impact of charges and assessments results in declining amounts for net education aid and only marginal increases to net general government aid during the past five (5) years. Even with the increase in Chapter 70 aid in FY2024, net education aid in FY2024 was \$408,890 less than it was in FY2020. The longer-term impact of this trend means more pressure applied to the property tax as a revenue source to keep pace with the annual increase in the costs to provide municipal services. And, as noted elsewhere, municipal operating costs will continue to increase in the near term as long as the current inflationary environment persists.

Local Receipts

Local receipts, also called estimated receipts, represent locally generated General Fund revenue in various categories, the largest of which in Hudson, prior to the adoption of enterprise funds, were charges for services, namely, water and sewer user fees and related revenue. Other receipts include motor vehicle excise taxes, licenses and permits, and other receipts such as the room occupancy excise, interest income on investments, and cell tower lease revenue. With the adoption of enterprise funds for the water and sewer utilities in November 2022, total estimated receipts for FY2025 will be significantly less than those years prior to the adoption as the water and sewer receipts (and expenses) have been transferred out of the General Fund and accounted for in the budgets of the respective enterprise fund. Enterprise funds will be discussed in more detail later in this narrative. Local receipts revenue for FY2025 is projected to represent approximately 8% of General Fund revenue.

Estimating local receipts for the upcoming fiscal year is accomplished by analyzing trends in current year collections and comparing those to the prior year's numbers. This revenue source is largely associated with the health of the local economy, and with few exceptions the Town has little control over year-to-year fluctuations. It is the most elastic of the Town's revenue sources. For instance, during an economic downturn new vehicle purchases are often deferred which impacts motor vehicle excise revenue as older cars remain on the road longer. Likewise, continued supply chain issues and high demand have combined to push vehicles prices, especially new vehicle prices, to record highs forcing older vehicles to remain in operation

longer. Motor vehicle excise revenue from the prior three (3) years appears to support this analysis. While It is too early to tell whether this trend will continue to play out in FY2025, I am level funding motor vehicle excise to be conservative.

The early budget cycle in Hudson also presents its own challenges in estimating local receipts for the upcoming fiscal year, as estimates are prepared many months before the start of the new fiscal year. Also noteworthy is the characteristic lag effect in local revenue trends as municipal governments typically experience the financial impact of an economic trend, either positive or negative, well after the trend has started.

Local receipts revenue as of June 30, 2023 documented good evidence for a local economy continuing to perform well. Excise tax revenue on meals continued to trend favorably, as did fee revenue for licenses and permits. The local adult-use commercial marijuana market remains strong, although it should be noted that new legislation which went into effect on November 11, 2022 now grants the Cannabis Control Commission more oversight of host community agreements and imposes new limits on how municipalities can calculate marijuana impact fees. This will have financial implications with agreements currently in place with marijuana establishments in Hudson. Another important development that occurred last year was the decision by CHAPS to establish a benefits program for their employees. For many years, CHAPS employees had been receiving municipal benefits and the Town was reimbursed for the employer share of these benefits. On October 1, 2022, this decades-old arrangement between the Town and CHAPS ended.

In response to the statewide migrant / homeless families crisis, in 2023 the Commonwealth began contracting with local hotels and motels once the state's shelter system reached capacity. Because Massachusetts is a "right-to-shelter" state, families who meet certain eligibility requirements are guaranteed emergency shelter. The crisis, apart from the strain experienced by families with children in shelter, is also having a financial impact on the Town. When homeless families are placed in hotels and motels, the Commonwealth pays all local occupancy taxes for room rentals less than 90 days. Longer-duration stays do not generate hotel excise tax revenue. And, it remains to be seen how long this crisis will continue in Massachusetts.

Below is a chart showing a comparison of budgeted and actual local receipts for the period FY2018 through FY2023 with budgeted amounts documented on the tax rate recapitulation sheet submitted to the DOR each December. The actual figures are as of June 30th for each fiscal year.

Tax Levy

The tax levy represents the largest revenue source to the Town of Hudson.⁷ Property taxes are levied on real property (i.e., land and buildings) as well as on personal property (i.e., tangible property other than real estate such as machinery, pipelines, wires, poles, etc.) To calculate the tax levy, Proposition 2½ legislation allows the prior year’s levy limit to increase automatically by 2½ percent. Added next is the estimate for new growth which represents the additional tax revenue generated by new construction and physical additions to real property whose assessed value was captured during the prior fiscal year. It does not include market-driven value increases. New growth is calculated by multiplying the assessed value associated with new construction and physical additions by the prior year’s tax rate. The additional tax revenue is then incorporated into the calculation for the next year’s levy limit. New growth is always the last revenue budget figure to be finalized, as it is certified in the fall after the budget for that fiscal year has already been authorized at the Annual Town Meeting in May. The final figure in the tax calculation is the value of the tax revenue generated to fund the upcoming year’s debt service costs for capital projects that were excluded from the levy limit via Debt Exclusion votes.

⁷ For FY2022, the tax levy represented 64.5% of budgeted revenue for all communities in the Commonwealth.

The Commonwealth mandates that communities update their property values at least every five (5) years and obtain certification that such values represent the full and fair cash value. In the interim, the property values are adjusted according to the housing market trends and certified by the DOR every December. Hudson’s last formal revaluation was conducted in FY2021.

Tax levy revenue for FY2025 is projected to represent 69% of General Fund revenue. The table below summarizes the projected tax levy calculation for FY2025:

PRIOR YEAR (FY2024) LEVY LIMIT	\$61,018,787
2.5 PERCENT	\$1,525,470
NEW GROWTH ESTIMATE	\$675,000
CURRENT YEAR LEVY LIMIT	\$63,219,257
DEBT EXCLUSION TAX YIELD	\$3,747,253
MAXIMUM ALLOWABLE LEVY	\$66,966,510
TAX	\$66,866,510
EXCESS LEVY CAPACITY	\$100,000

Since 2017, certified new growth has ranged from a low of \$649,374 in FY2023 to a high of \$1,065,846 in FY2022. The chart below tracks this figure. The new growth estimate recommended in the FY2025 budget is \$675,000 which represents a slight increase over the \$650,000 estimate used in the FY2024 budget.

Because the levy cap in Massachusetts is limited to 2.5% plus new growth, the significance of new development to a municipality's ability to build budget capacity cannot be overstated. After two years of new growth over \$1M in FY2021 and in FY2022, the new growth figure dropped significantly in FY2023 to \$649,374. There are several possible reasons for the decline. The decline may be attributed to a combination of the sunseting of federal stimulus funds, rising interest rates, and persistent inflation. The timing of various construction projects also plays a factor. The FY2024 new growth figure of \$843,077 was more in line with pre-pandemic levels.

A useful metric to compare the tax burden from one community to another is the average single-family tax bill. Using data compiled by the Division of Local Services (DLS), the chart below shows the average single-family tax bill in FY2023 for twenty-seven (27) communities along the Interstate-495 corridor. The data compares single-family houses and does not include condominiums, multi-family houses, or apartments. Of the communities sampled, Hudson's average single-family tax bill remains sixth-lowest, and it is very close to the average statewide single-family tax bill of \$6,822. It should also be noted that Hudson is one of eleven communities in this sampling that maintains a split tax rate (i.e., a rate for residential properties and a separate rate for commercial, industrial, and personal property) which is a contributing factor to keeping residential tax bills comparatively low in this analysis. The communities shown with an asterisk maintain a split tax rate.

The FY2024 average single-family value in Hudson increased by 11.52% to \$555,573 based on values submitted to the DOR and approved in December with an effective date of January 1, 2023. This increase reflects the significant increase in home prices that occurred during 2022. This value reflects the Select Board’s vote on December 4, 2023 to maintain a split tax rate using the minimum residential factor - \$14.00 for residential and \$27.50 for commercial, industrial, and personal property. The Town has maintained a split tax rate for many years.

Available Funds

The final revenue category are available funds, the largest component being Free Cash which is a reserve used to fund the annual capital plan and other warrant articles brought forward for appropriation at Town Meeting. The annual contribution from Light and Power is included in this category as is the revenue from the PEG Cable Access Fund (Cable Receipts). Indirect cost reimbursements from the water, sewer, and stormwater enterprises are also shown as available funds. These costs represent general fund expenses, including employee benefit expenses and department-specific assistance, provided in support of the various enterprise funds.

Reserves

The primary reserves in Hudson are Free Cash and the Stabilization Fund. Free Cash is a revenue source which results from the calculation as of July 1st of the Town’s remaining, unrestricted funds from operations of the previous fiscal year based on the balance sheet as of June 30th. It is generated by year-end departmental turnbacks and revenue received over budgeted estimates, less adjustments for property tax receivables and other deficits. The certified Free Cash number as of July 1, 2022 was \$6,811,747. Free Cash is the customary pay-as-you-go funding source for capital equipment purchases and infrastructure improvements for municipalities, and appropriations from Free Cash for these purposes are routinely made each year. While the Free Cash number as of July 1, 2023 is not projected to be certified until early next year, it is anticipated to be well north of \$5M, an amount which will support a municipal capital improvement program for the upcoming fiscal year and another potentially significant appropriation into the OPEB trust fund. Retained earnings of the water, sewer, and stormwater enterprise funds are the equivalent to Free Cash in the General Fund.

Below is a chart showing historical Free Cash balances as of July 1st:

The Stabilization Fund is the second primary reserve. Unlike Free Cash, the Stabilization Fund does not reset at the end of the fiscal year nor does it need certification from the DOR. Town Meeting may, by a majority vote, transfer funds into this account and may, by a two-thirds vote, appropriate funds out for any lawful purpose. As part of the Select Board’s overall financial management policies, the Town strives each year to maintain a combined Free Cash and Stabilization balance between 5% and 10% of the ensuing year’s operating budget. In addition to being a prudent fiscal strategy, maintaining a healthy balance in reserves is viewed favorably by bond rating agencies. In the past five (5) fiscal years the Town has been able to achieve this target. The following chart shows this trend:

There are other reserves in addition to Free Cash and the Stabilization Fund. The Reserve Fund is maintained exclusively by the Finance Committee by statute to respond to extraordinary or unforeseen circumstances during the fiscal year. In recent years the Reserve Fund was raised and appropriated annually at \$100,000, and this is the amount recommended for FY2025. Excess tax levy capacity may also be viewed as a reserve for the Town. This number represents the difference between the Town’s actual levy and the maximum allowable levy for a given year. Conservative budgeting practices in recent years have yielded excess capacity in varying amounts which affords the Town a degree of budget flexibility. It should be noted, however, that the potential tax revenue from excess levy capacity exists only for that particular fiscal year. It represents an additional amount the Town could, but chooses not to, levy. The chart below tracks excess tax levy capacity for each of the past seven (7) fiscal years:

General Fund Expenses Overview

Expenses to the Town may be broken out into the following categories: education, which includes the appropriation to Hudson Public Schools and the Assabet Valley Regional Technical High School assessment; general government, which includes departmental requests as well as the appropriations for health insurance, Medicare, general insurance, and the pension assessment; debt service; Town Meeting appropriations for capital and other warrant articles; and, charges which include tax title expenses, and Cherry Sheet assessments.

The chart below breaks out projected FY2025 General Fund expenses:

Department Requests

As mentioned earlier in this budget message, I am recommending no new municipal positions in FY2025. I have also reduced some requested items in the operating expenses of a number of departments. Simply stated, there is insufficient revenue to expand where there are needs. Similarly, my recommended appropriation for the school department is lower than recent year increases. In the coming years, there will need to be appreciable increases in local receipts, state aid, and new growth to make any significant adjustments to operating budgets on both the municipal and school side.

I also note that I am anticipating increases next year in general insurance and workers compensation premiums of between 10 and 15%. At the time of this budget filing, I am soliciting quotes on both the property & casualty and workers compensation lines of insurance in hopes of realizing some savings.

Water and Sewer

Water and sewer rates are set each year to ensure that the full cost of operating both utilities, including day-to-day operations, debt service expenses, and administrative assistance provided by other Town departments (indirect costs), are supported by the users of the systems. I am anticipating a modest increase in water rates for FY2025 and an increase in sewer rates similar to the increase approved for FY2024. The projected sewer rate increase is primarily driven by the anticipation of the full principal and interest payments due in FY2025 on the Wastewater Treatment Plant Phase 2 Upgrades. In an effort to keep some pressure off the rates, I have level-funded the indirect costs for all three enterprise funds.

As a reminder, with the adoption of enterprise funds, there are important benefits that accrue to the rate-payers when the revenue and expenses of these utilities are segregated from the general fund. First, any year-end surplus (i.e., revenue received over budgeted estimates as well as departmental turnbacks) will remain within the enterprise fund in subsequent fiscal years and not close out to Free Cash in the general fund as in prior years. These surplus funds, called retained earnings, will be available potentially to moderate future year rate increases and to fund future capital investments. I expect that both the water and sewer utilities will yield some retained earnings at the close of the current fiscal year. Second, accounting for water and sewer finances outside of the general fund guarantees that water and sewer revenue cannot subsidize the general fund.

Health Insurance

On July 1, 2023, the Town officially became a member of the Massachusetts Interlocal Insurance Association (MIIA) Health Benefits Trust. The Health Benefits Trust, formed over 30 years ago, provides health insurance coverage to the employees and retirees of cities, towns, and other governmental entities in Massachusetts that are members of the Massachusetts Municipal Association. This was a significant development for Hudson which, for decades, had been self-insured with respect to health insurance.

The migration to MIIA was made possible by the provisions of General Laws, Chapter 32B, Sections 21-22 which the Select Board adopted on February 27, 2023. It represented the culmination of successful negotiations between the Town and all labor unions over plan design changes. These changes were memorialized in a Memorandum of Agreement between the Town of Hudson and the Hudson Public Employee Committee. The negotiations primarily addressed a new plan design that would bring Hudson's plan in line with a typical municipal health insurance plan today including a \$300 individual deductible and \$900 family deductible. There was also agreement to phase the employer / employee premium contribution shift from 50% / 50% to 65% / 35% over a three-year period for the HMO and Medicare supplement products. The statute also provided for mitigation payments to be made to the employees for 25% of the total projected year-one savings associated with the plan design changes.

The negotiated plan design changes yielded significant premium savings for both the Town and the subscribers: an individual HMO subscriber’s annual savings in FY2024 was \$2,757 and a family HMO subscriber’s annual savings in FY2024 was \$7,090. Additionally, the new health insurance offerings in Hudson, which also now include a limited network plan with an even less expensive premium, were adopted with the intent to address problems the Town had been experiencing in recent years with respect to employee recruitment and retention. When communities join MIIA, they receive on their first renewal the average of the rate increase across all of the members of the Health Benefits Trust. In subsequent years, each community receives a rate increase that is tied to its specific experience. Because the FY2024 health insurance appropriation included \$478,551 in one-time mitigation funds, the FY2025 appropriation will increase only slightly to anticipate a conservative 8% increase next year. It is also anticipated that with more out-of-pocket exposure, utilization in the coming years will go down.

The chart below provides historical data on the Town’s Health Insurance Trust Fund from FY2000 to FY2023. After the run-out period has concluded on claims incurred prior to June 30, 2023, half of the remaining trust fund balance will be returned to the employees in the same manner that the mitigation payments were provided to them earlier in the year.

Pension and Other Post-Employment Benefits (OPEB) Liabilities

Hudson belongs to the Middlesex County Retirement System, one of 105 public retirement systems in the Commonwealth. The defined benefit pension in Massachusetts is funded both by employee contributions via payroll deductions, and by the employer via an annual assessment from the retirement system. This assessment for FY2025 will be \$7,920,764 which represents a 6.42% increase over FY2024. Recent year-over-year percentage increases in the assessment to Hudson have ranged from 2.8% to 9.6%. The assessment municipalities pay are considered the annual required contribution (ARC) which is mandated by law to adequately fund the pension plan. The plan is required to fund what is called the normal cost which is the cost of benefits accrued in the current year, as well as the cost to amortize, or pay off, the plan's unfunded liability for benefits which will accrue in the future. A pension plan is considered fully funded when it has sufficient funds to provide both current and future benefits to retirees. Chapter 32 of Massachusetts General Laws requires that all retirement systems fully fund their entire liability no later than June 30, 2040. As of October 1, 2023, the Middlesex County Retirement System had a funding ratio of only 54.5%, ranking 100 out of the 105 retirement systems statewide. It is not projected to be fully funded until 2036. Middlesex County Retirement System, like many public pension systems around the state and county, suffered from poor investment returns in 2022.

Other Post-Employment Benefits (OPEB) represent employer costs other than pension owed to retired municipal employees, primarily those costs associated with health insurance. These benefits, once earned, are owed to retired employees for their lifetime. As health care costs continue to rise and retired employees live longer, the liability to municipalities has grown considerably. The net OPEB liability for the Town of Hudson as of June 30, 2023 was \$89,580,383. The OPEB liability for all municipalities together with the Commonwealth is in the tens of billions of dollars. In contrast to the annual required contribution for pension funding, there is currently no law requiring municipalities to fully fund their OPEB liability and, as a result, most municipalities fund OPEB through a pay-as-you-go method which means these health insurance costs are paid out of the Town's operating budget each year as the benefits are consumed. Besides, most communities do not have the resources to fully fund this liability.

Some efforts to introduce OPEB reform have taken place in Massachusetts. A special commission filed its report with recommendations in 2013, but there has been little interest or political will from stakeholders to continue the discussion. In the meantime, to begin to address this liability most communities have established OPEB trust funds and strive to make annual contributions when funds are available. Hudson established an OPEB trust fund in November of 2016 and has made annual contributions in recent years, including a \$750,000 appropriation, the largest to date, at the Annual Town Meeting in May of 2023. The current OPEB trust fund balance is \$1,140,721.

At this time, the only practical way to fund this liability is to continue to make contributions, however small, out of reserves provided there is a surplus above the 5% to 10% reserves target.

Doing so also demonstrates to the bond rating agencies that Hudson takes seriously this obligation and its potential financial implications. Looking ahead, there may be an opportunity to begin to “catch up” on the OPEB liability in 2036 if, as projected, the Middlesex County Retirement System reaches 100% funding. In this scenario, the Town’s pension ARC would drop considerably as only the normal cost would require funding each year. The Town could then pivot and re-allocate the balance of the pension assessment to the OPEB trust in each subsequent year and there would be no impact to the operating budget.

Using the DOR’s most current data from 2022 (which does not reflect Hudson’s recent \$750,000 appropriation) the chart below shows how Hudson compares to communities comparable to Hudson relative to population, income per capita, equalized value (i.e., tax base value) per capita, and operating budget. It is interesting, also, to note the wide variance in OPEB trust fund balances among the communities sampled. Until a legislative mandate is introduced, communities will likely continue to make OPEB contributions each year only to the extent that they have the financial capacity to do so.

Capital Program and Warrant Articles

I am recommending approximately \$1.6M in Free Cash to fund the pay-as-you-go portion of the annual capital program which will include a recommendation to fund the annual \$300,000 supplement to Chapter 90 for road resurfacing, with the balance to fund specific department requests for FY2025. Free Cash is also being anticipated to fund a potentially significant appropriation into the Town’s OPEB trust fund. Below is a chart showing all of the FY2025 capital requests submitted by the departments. I will update this section in advance of the final recommended capital plan I will present to the Board on January 22, 2024. The update may include any potential borrowing authorizations to fund some of the larger capital requests.

The enclosed FY2025 budget is balanced and ready for review by the Select Board and Finance Committee. This budget has been prepared using all available information known to me at this time. Conservative revenue estimates have been used and these estimates may be revised in the coming months as new information becomes available. I anticipate issuing a Fiscal Projection #2 in February which will show updated revenue figures. I would like to thank the

department heads who worked carefully to assemble detailed budget and capital requests. A special thanks also to Neil Vaidya, Erin Caton, and Fernanda Santos who provided their guidance and expertise in ensuring a smooth process was followed as this budget was developed.

Respectfully submitted,

Thomas Gregory

Re: FY2025 Capital Program Recommendations

The purpose of the memorandum is to provide the Select Board and Finance Committee with information specific to the capital funding recommendations for FY2025. In my December 18, 2023 FY2025 budget filing with the Select Board, I included all of the capital requests submitted by the departments advising that I would have funding recommendations prepared for the January 22, 2024 Select Board meeting. The full list of capital items recommended for funding is attached to the memorandum.

There are multiple funding sources that are being identified to fund the FY2025 capital program. The primary source is Free Cash, which is the customary pay-as-you-go funding source for most General Fund capital acquisitions and projects – these are voted as a block at the Annual Town Meeting each year. In addition, a new water vac truck is being proposed for funding via the Water Enterprise Fund. And, the DPW Stabilization Fund has been identified to fund new DPW computer equipment. At this time, there are no anticipated borrowing authorizations. The summary of funding sources is shown below:

Funding Source	Amount
Free Cash	\$3,717,450
Water Enterprise Fund	\$675,000
DPW Stabilization Fund	\$69,000
Total:	\$4,461,450

I note that FY2023 Free Cash has not yet been certified and available for appropriation. I expect certification to occur in March once the FY2023 balance sheet is finalized and submitted to the Department of Revenue (DOR). I am using a conservative Free Cash estimate to fund next year's capital program. I anticipate that I will have a decent Free Cash estimate in February. If the estimate is significantly higher than my current estimate, I may subsequently revise these funding recommendations.

The recommendations include the annual \$300,000 Free Cash supplement to the Chapter 90 roadway improvement program. The total roads funding available next year with both sources will be approximately \$880,000 (the FY2024 Chapter 90 apportionment to Hudson is \$577,769). I am recommending that Fire Station #1 receive funding for needed building renovations to occur over the next two to three years. Design funds for the library are being recommended so that the Town can apply for grant funds from the Massachusetts Board of Library Commissioners which will help determine the future building program for the library. And, funds have been identified to replace three (3) police cruisers next year, which is consistent with the Police Department's recommendation for annual vehicle replacements.

Also being recommended for funding in FY2025 is the acquisition of a new Fire Pumper to be funded with \$975,950 from Free Cash. At the Special Town Meeting in November, a borrowing authorization for the same amount was approved which allowed the Town to place the order. The Town's Free Cash position allows this acquisition to be paid with cash on hand, and I will recommend that the borrowing authorization be rescinded in May.

I also note the request to replenish the Stabilization Fund with 50% of the costs associated with the MUNIS acquisition. At the Special Town Meeting in November, \$1.21M was transferred from the Stabilization Fund so that this important project could commence in the current fiscal year. I anticipate a recommendation to replenish the Stabilization Fund with the additional 50% in FY2026.

Capital requests that are not recommended for funding in FY2025 will be considered in a subsequent fiscal year.

I am available to answer any questions relative to these funding recommendations.

**RE: Proposal for Traffic Engineering Services
Traffic Signal Assessment
Main Street at Lewis Street – Hudson, MA**

Dear Mr. Ryder,

McMahon, a Bowman company (Bowman) is pleased to present this proposal to provide traffic engineering services associated with a traffic signal assessment at the intersection of Main Street and Lewis Street in Hudson, MA. This proposal is provided based on a conversation with you on October 12, 2023.

Scope of Services

Our services will include data collection, signal warrant analysis, capacity analysis, and preparation of a technical memorandum with recommended improvements at the Main Street/Lewis Street intersection. The Town has previously identified safety and operational issues at the existing unsignalized intersection that have been addressed with other treatments, including speed feedback signs and enhanced warning signs with illuminated borders. This assessment is proposed to determine if the installation of a traffic signal or other measures may be beneficial for improved safety and mobility.

The specific scope of services included is as follows:

- Conduct a 12-hour (7:00 AM to 7:00 PM) weekday manual turning movement count (including heavy vehicles, pedestrians, and bicycles) at the intersection.
- Conduct a 48-hour Automated Traffic Recorder (ATR) on Main Street and Lewis Street in the vicinity of the intersection (specific locations to be determined in consultation with the Town) to collect vehicle volume, speed, and classification data.
- Perform a field reconnaissance of the physical and operational characteristics of the project intersection. This inventory will include documentation of lane widths, lane usage, traffic control devices, posted speed limits, and sight distance measurements, as appropriate. Bowman will coordinate activities related to required investigative work with Town officials.
- Compile and analyze crash data at the intersection for the most recent five-year period available through the Massachusetts Department of Transportation (MassDOT) crash database. This includes a tabular summary of the five-year crash data. It is not anticipated that a crash diagram would be required as part of the scope, and is not included as part of this proposal.

350 Myles Standish Boulevard, Suite 103, Taunton, MA 02780

P: 508.823.2245

mcmahonassociates.com | bowman.com

- Develop forecasts of future year 2030 traffic volumes utilizing a background growth rate and other nearby approved developments to be established in conjunction with the Town Planner and/or the regional planning agency.
- Perform a traffic signal warrant analysis for all applicable warrants, as specified in the MUTCD.
- Perform traffic analysis to assess the levels of service for existing year and future year traffic volumes at the intersection during the weekday morning and weekday afternoon peak hours, under unsignalized and signalized conditions; a roundabout condition will also be analyzed. We will also evaluate pedestrian conditions.
- Provide a qualitative description of potential treatment options for potential improvements at the intersection, based on the field review and the results of the analysis. Survey of the intersection and conceptual design of potential improvements are not included in this proposal.
- Prepare a memorandum detailing the data collection effort and analysis and presenting results. A recommended action plan and ranges of estimated costs for implementation of recommended improvements will also be provided in the memorandum.
- Attend up to two (2) meetings with Town officials (DPW, Police, Fire, etc.) to gather information and discuss findings.

Meetings

It is anticipated that attendance at meetings beyond those noted above may be required with the Town, abutting property owners, and/or the community. Bowman is willing to participate in these meetings, as needed, but the number of these meetings and the level of participation is unknown at this time. For this reason, additional meetings beyond those noted above will be billed on a time and materials basis in accordance with Bowman's Standard Provisions for Professional Services, upon prior authorization from the Town.

Fee

We propose to provide the above services for the fixed fee of **\$15,000**, which includes out-of-pocket expenses, such as traffic counts, mileage and report reproduction, etc. Requests for major report revisions, significant responses to Town comments, conceptual design, additional analyses, and preparation for and attendance at additional meetings beyond those noted above are not included in this proposal, and will be provided, only as necessary and as authorized, on a time-and-material basis in accordance with the attached Standard Provisions for Professional Services. If additional services are required, an addendum to this proposal can be provided.

Schedule

We are prepared to initiate work on this project immediately upon authorization to proceed. Bowman will work with the project team to meet project specific deadlines.

Binding Status

The client and Bowman bind themselves, their partners, successors, assigns, heirs, and/or legal representatives to the other party to the Agreement, and to the partners, successors, assigns and legal representatives of such other party with respect to all covenants of the proposal.

Conditions

Invoices for services will be submitted monthly and are payable within 30 days of issuance. All invoices not paid within 30 days are subject to a 1.5% monthly interest charge, and all projects with overdue balances exceeding 60 days will be subject to a stoppage of work. Any changes in the specific work program described above will result in an adjustment of the conditions and fees. This agreement hereto sets forth the entire understanding between the parties with respect to the subject matter hereof, supersedes any and all prior understandings whether written or oral with respect to the subject matter hereof and may not be altered, modified, changed, amended, or waived in any manner, except in a writing signed by all of the parties hereto. The fee quoted is valid for a period of 90 days from the date of this proposal. If the terms of this contract, as contained herein, and in the attached Bowman’s Standard Provisions for Professional Services are agreeable to you, please execute the agreement in the space provided and return to our office.

If you should have any further questions or require further information, please feel free to contact us. We appreciate the opportunity to submit a proposal for this project and look forward to working with you.

Very truly yours,

TERMS

- 1. Payment:** Payment is due upon receipt of invoices within 30 days. Client agrees to pay interest at the rate of 1 and 1/2% per month on invoices that are more than 30 days past due. After 30 days past due, McMahon may suspend services and refuse to release work until Client has paid all amounts due. If payment is not made in accordance with the Agreement, Client agrees to pay reasonable attorney's costs and fees incurred by McMahon to collect payment.
- 2. Expenses -** Automatic Traffic Recorder equipment usage will be billed at \$50.00 per 24-hour count. Incidental expenses are reimbursable at cost, plus an administration fee of 10%. These include, for example, subconsultants, reproduction, postage, graphics, mileage reimbursement at the IRS-approved rate, parking, and tolls. These expenses will be reflected in the monthly invoices.
- 3. Fees and Schedule:** Fees and schedule commitments will be subject to change for delays caused by Client's failure to provide specific facilities or information, or for delays caused by third parties, unpredictable occurrences or force majeure.
- 4. Termination:** No termination of this Agreement by Client will be effective unless Client gives seven days prior written notice with the reasons and details, and McMahon is afforded an opportunity to respond. Where the method of payment is a lump sum, Client agrees that the final invoice will be based on services performed to the effective date of cancellation, plus an equitable adjustment to provide for costs McMahon incurred for commitments made prior to cancellation. Where the method of payment is time and materials, Client agrees that the final invoice will include all services and direct expenses up to the effective date of cancellation plus an equitable adjustment to provide for costs McMahon incurred for commitments made prior to cancellation.
- 5. Drawings, Sketches and Specifications:** All drawings, sketches, specifications and other documents in any form, including electronic, prepared by McMahon are instruments of McMahon's services, and as such are and shall remain McMahon's property. Upon payment in accordance with the Agreement, Client shall have the right to use and reproduce the documents solely for the purposes of constructing, remediating, using or maintaining the project contemplated by the Agreement. The documents are prepared for use on this project only and are not appropriate for use on other projects, any additions or alterations of the project, or completion of the project by others. Use of the documents in violation of this paragraph without the express written consent of McMahon is prohibited and shall be at Client's sole risk. Client agrees to indemnify, defend and hold harmless McMahon from any claims, damages, losses, liabilities and expenses arising from such prohibited use.
- 6. Confidentiality:** Technical and pricing information in this proposal is the confidential and proprietary property of McMahon and is not to be disclosed or made available to third parties without the written consent of McMahon.
- 7. Insurance:** McMahon will maintain at its own expense Worker's Compensation insurance, comprehensive general liability insurance and professional liability insurance.
- 8. Approvals:** McMahon does not represent or warrant that any permit or approval will be issued by any governmental body.
- 9. Professional Standards:** McMahon will perform its work in accordance with generally accepted professional standards. There are no other warranties, express or implied. This Agreement is solely for the benefit of the Client and its successors. There is no third-party beneficiary of this Agreement.
- 10. Expert Witness Fees:** Client agrees to pay reasonable expert witness fees if McMahon or any of its employees are subpoenaed to testify as a fact or opinion witness in any court proceeding, arbitration or mediation to which Client is a party.
- 11. Hazardous Waste:** Unless otherwise provided in this Agreement, McMahon shall have no responsibility for the discovery, presence, handling, removal or disposal of hazardous materials or underground structures at the project site.
- 12. Assignment:** McMahon and Bowman are considered the same and interchangeable for this Agreement. Neither the Client nor McMahon/Bowman shall assign this Agreement without the written consent of the other.

PROJECT TITLE: NFPA CERTIFIED TURNOUT GEAR

PROJECT DESCRIPTION:

The replacement of turn out gear manufactured in 2013 creates an immediate need for a second set of turn out gear. This gear is critical for firefighters operating in All-Hazards environment as we do on a daily basis. Firefighters are required to have two sets of turn out gear. Exposure to carcinogens requires the immediate decontamination of gear used in immediately dangerous to life and health (IDLH) atmospheres. A second set of gear allows firefighters to remain in service for the next call. Turn out gear has a life expectancy of ten years. New purchases should meet the current NFPA standard and be PFAS free if possible.

DEPARTMENT: FIRE

CONTACT: FIRE CHIEF BRYAN R. JOHANNES

PROJECT TITLE: BREATHING AIR COMPRESSOR

PROJECT DESCRIPTION:

The breathing air compressor provides compressed air for use in Self-Contained Breathing Apparatus (SCBA) used in Immediately Dangerous to Life and Health (IDLH) atmospheres. The compressor is original to the building in 2004. The current compressor pistons and rings are wearing which could cause oil to carry over into downstream cylinder charging station contaminating that portion of the breathing air supply system. The company used for routine service and testing of the breathing air compressor has recommended replacement. The project cost takes into consideration the probability of building and electrical modifications and retrofit.

PROJECT TITLE: STATION 1 RENOVATIONS

PROJECT DESCRIPTION:

Station #1 requires significant renovations to update several building systems. The project is a phased approach intended to provide renovations to the building interior and exterior during the next several fiscal years. Based on a feasibility study completed in 2021, priorities have been given to the following: Abatement of ACM, modification of front entrance and service window for ADA compliance, repair/repoint exterior masonry, renovate second floor (ceilings, floors, walls, millwork), update electrical service, replace emergency generator and properly secure fire pole..

DEPARTMENT: LIBRARY

CONTACT: AILEEN SANCHEZ-HIMES

PROJECT TITLE: MPLCP GRANT APPLICATION - PLANNING & DESIGN FUNDING

PROJECT DESCRIPTION:

The Hudson Public Library is applying for a Massachusetts Public Library Construction Program grant offered through the MA Board of Library Commissioners. Grant eligibility requires the completion of multiple phases, including the design phase for our future Library. According to the MBLC, "The Planning and Design Phase funding is for activities related to the planning and designing of new, renovated, or expanded public library facilities in advance of a whole building project." To fund the Design Phase of the application process, the Library must secure \$150,000 from the Town. Spending these funds is contingent upon the Library being awarded a construction grant by the MBLC.

FY 2025

DEPARTMENT: PLANNING AND COMMUNITY DEVELOPMENT

CONTACT: KRISTINA JOHNSON, DIRECTOR OF PLANNING AND COMMUNITY DEVELOPMENT

PROJECT TITLE: MASTER PLAN UPDATE

PROJECT DESCRIPTION:

The Master Plan is the guiding vision for the Community that prioritizes short and long-term goals and objectives for infrastructure investments, land use regulatory policies, economic development, housing, public services, and natural resources. Hudson's Master Plan was last updated in 2014, and the last effort before that was 1964. At the Annual Town Meeting in 2011, a Capital Outlay in the amount of \$100,000 was approved to create this current Master Plan document.

It is generally good planning practice to update a Master Plan every ten years to ensure that the guiding community vision comports with economic realities and current issues facing the Town. For this update, Planning Staff intends (for the first time) to include a whole section on sustainability and climate resiliency within the Master Plan, rather than have another stand-alone document. To gauge an appropriate budget for a Master Plan update (with a sustainability and climate resiliency focus), I reached out to the Massachusetts Planners' E-mail Listserv to inquire with other municipalities about their recent Master Plan updates. Below is a sampling of project costs ranging from \$100,000 to \$180,000. All respondents indicated multifaceted funding strategies (Capital, Community Preservation, and Commonwealth Grants)were needed to carry out the update.

Town Name	Cost	Year
Norfolk	\$ 140,000.00	2022

Hi Rick,

Please find attached the Monitor and Workstation quote as requested. The discount on the price of hardware might change until July 2024.

Note for your Finance Committee.

HP recommends replacement/refresh every 3 years...most of the towns do refresh after 3 years. Police Department is been running with same hardware 24/7 since 2016. (saving 3 upgrades).

The existing hardware are not compatible with Microsoft w11 PRO operating system. We postponed purchasing computers from fy24 to fy25. We cannot do that again due our existing Microsoft w10 end of life is on October 14, 2025.

Let me know if any questions.

RECREATION

**CAPITAL PROJECT REQUEST
FY2025**

DEPARTMENT: RECREATION

CONTACT:

PARK COMMISSION; STEVEN L. SANTOS – DIRECTOR OF RECREATION

PROJECT TITLE:

RIMKUS CLUBHOUSE ROOF REPLACEMENT

PROJECT DESCRIPTION:

Replace the existing roof on the Rimkus Clubhouse, located at Riverside Park, with similar (asphalt shingles) due to age, current water infiltration (active and visible roof leaks) and history of recent repairs.

The building was constructed well over 75 years ago. While the date of the last roof replacement is unknown, there have been several roof repairs completed over the last 15 years. The largest repair being performed following tree damage caused by the 2008 ice storms (funded via an insurance claim).

Most recently in the fall of 2023 the entire right hip section was stripped and replaced due to an active roof leak that resulted in interior damage and puddling within the building (roof deck boards were rotted at eaves and replaced, as well) – cost was over \$5,000.00 for this repair.

The front section shows various points of minor water infiltration and has 7 layers of shingles on the front dormer; the left hip section shows visible signs of moderate water infiltration that is impacting the interior ceiling (dripping) and causing puddling within the building. At the rear of the building there is visible water intrusion around chimneys that can be seen on underside of the deck boards. The asphalt shingles are well past their life expectancy. They are brittle, warped and delaminated. The existing shingles cannot be repaired/overlaid. The only option is to remove/replace shingles; and address any issues with suspected rotted deck boards (as needed). Note: it is expected that all deck boards along the eaves will need to be replaced, as was done on the right hip section in the fall of 2023.

PROJECT COST ESTIMATE:\$35,000.00 (\$22,100, PLUS \$12,900...ALLOWANCE FOR DECK BOARD REPLACEMENT AS NEEDED AND COST ADJUSTMENT FOR INFLATION)

USEFUL LIFE: 25 YEARS

PRESENT ITEM BEING REPLACED (FILL IN IF APPLICABLE):

Age: Building is over 75 years old. Existing roof is estimated to be 25+ years old.

Mileage: n/a

Present Value: n/a

Condition: Failed. Beyond its life expectancy

Hudson Rec Center
120 Chapin Road
Hudson, MA
ssantos@townofhudson.org

RE: Roof Replacement – Remaining area, 120 Chapin Street – Hudson, MA

SCOPE OF WORK:

- Tarp sides of building and grounds for debris.
- Remove remaining roofing from building down to wood decking. One end of hip roof done in September of 2023. This section to remain.
- Re-nail existing plywood as needed in order to provide a smooth, secure substrate.
- Replace bad wood decking with ¾" ledger board or plywood. \$130.00 per 4 x 8 sheet of plywood. Or \$14.00 per lineal foot of wood plank.
- Install Certainteed Winterguard Ice & Water Shield on bottom 6' at eaves, 3' in valleys, 18" at roof to wall connections, chimney and around all roof penetrations.
- Install Certainteed Roof Runner synthetic paper over remaining roof areas.
- Install 8" white vented metal drip edge on eaves and rakes.
- Install Certainteed Sure Start starter course on eaves and rakes.
- Install Certainteed Landmark pro cobblestone grey lifetime architectural shingle over roof area.

- Install new ridge vent on all peaks (cut ridge vent 1" on either side of ridge if needed).
- Install new Certainteed hip and ridge caps.
- Replace all pipe boots.
- Provide option to re-lead chimney if needed. If needed, we will grind out old lead flashing, install ice and watershield up the sides of the chimney, install step flashing, new lead and re-mortar joints.
- Clean grounds and dispose of appropriately. Clean gutters.
- Use high powered magnet to pick up nails from ground (it is possible that a few will remain after the magnet is used). Area under dumpster should be checked for debris/nails after dumpster is removed.

Note: Building permit cost assumed to be \$0. Balance due upon completion. Manufacturer will provide a 10 year warranty. LL Construction, Inc. will provide a 5 year workmanship warranty from date of completion.

Due to a volatile material market. This proposal is subject to change with material cost increases.

By signing contract you are authorizing Leonard Lombardo of LL Construction, Inc. to pull building permits on your behalf. You are also authorizing us to sign building applications as required by the building department if needed.

DEPARTMENT 1230 EXECUTIVE ASSISTANT

The work activities supported by this account cover the widest range in the town governmental structure. As the Chief Administrative, Chief Financial, Chief Procurement Officer, Personnel Officer, and ADA Coordinator of the town, the Executive Assistant is required to supervise and support the activities of all town departments, and appoint all department heads and building committees.

Pursuant to both Charter and bylaw, the Executive Assistant is charged with preparation of the Town's Annual Budget and Capital Plan, as well as personnel administration and ongoing fiscal management.

Town boards also require assistance including communication, problem resolution, program development, and physical support with space and materials. The office assists citizens of the town with requests for information, problems that cannot be otherwise resolved, and problems with other departments that both parties cannot settle.

The general areas of service delivered by the Executive Assistant's office involve inter-departmental coordination and citizen assistance on a host of issues and levels. Additionally, the office is responsible for the organization and management of information received by the Select Board, and for the preparation of information disseminated by that Board. This is accomplished through the various ongoing responsibilities that include agenda preparation, detail resolution and follow-up from meetings.

DEPARTMENT 1235 LEGAL SERVICES EXPENSE

This account is administered by the Executive Assistant under the direction of the Board of Selectmen. It funds legal services to the Board of Selectmen, Executive Assistant, Boards and Committees, and all departments of the Town.

The major services purchased in this area are:

- { The daily availability of legal advice.
- { Assistance with union grievance reviews with Department Heads and the Executive Assistant.
- { Representation in all Arbitration cases.
- { Representation in all Administrative Hearings.
- { Assistance with all collective bargaining contracts, deeds, leases, and other legal documents as requested by the Board of Selectmen or the Executive Assistant.
- { Assisting the Finance Department in the collection of all monetary obligations owed the Town by the initiation of lawsuits as well as foreclosures by the Town Treasurer.
- { Supporting and promoting the settlement of any and all existing cases before the courts.

Town Counsel services are provided by a lawyer in private practice who is retained by the Town on a part-time basis. Town Counsel is also an official position in Town government the appointment to which is made by the Select Board. The Town does not provide an office or staff or pay office expenses for Town Counsel. He or she is also paid on a professional fee basis. Special Labor Counsel is paid on a professional fee basis billed monthly.

Town Counsel's services include assisting with town meeting warrants, attendance at town meetings, attendance at Selectmen's meetings if necessary, attendance at other town board meetings when needed or requested, review of contracts, rendering of opinions and advice, drafting of legal documents, representing the town in courts and before administrative boards and commissions, and assisting in the selection of special counsel or experts when needed for special legal matters.

Other costs may include fees and charges of lawyers other than regular town counsel when they are retained for special cases or needs; fees and charges for fact-finding and arbitrators in labor relations matters; fees and charges of land damage appraisers and expert witnesses; and court filing fees; witness subpoenas, recording charges and other court process expenses.

2025 Legal Services

\$250,000

The account also includes the estimated cost for the hourly billing charge of \$225 / hour for labor counsel.

MEMORANDUM

TO: Thomas Gregory Executive Assistant

FROM: Kristina Johnson, AICP, Director of Planning and Community Development

CC: Pam Helinek, Assistant Director of Planning and Community Development/Conservation Agent

RE: Planning and Community Development FY 25 Budget

The purpose of this memorandum is to request two modest increases to the Department's operating budget for Fiscal Year 2025.

Car Allowance for Assistant Director/Conversation Agent

As you know one of Pam's primary responsibilities for the Town is to serve as at the Conservation Agent, and carrying out her job requires frequent on-site inspections. Since 2016, she has conducted these on-site inspections using her personal vehicle and submits mileage reimbursements one a month. Note that the mileage rate the Town uses to reimburse employees for travel expenses is lower (50 cents) than the Federal mileage rate (65.5 cents).

Since there is no motor pool of municipal vehicles that employees can access to conduct municipal business , and to eliminate the need to submit monthly reimbursement requests, I am requesting that Pam be allotted a \$500 annual car allowance. I have represented this request as part of her personnel line item.

Advertising Budget

I am requesting an increase of \$1,000 to cover the cost of legal advertisements borne by this Department. I anticipate bringing forward several zoning amendments over the next couple of Town Meetings; and as you know, State Statute requires a public hearing with the Planning Board. These legal notices are often lengthy as they contain the full text of the amendment, and a such, cost a considerable amount of money to publish in the local newspaper.

Please let me know if you need any backup documentation to support these two requests.

Community Development

DEPARTMENT OVERVIEW

The Planning and Community Development Department provides a full suite of professional and administrative services related to land-use planning and development permitting, wetlands permitting, economic development, transportation, affordable housing, open space and environmental planning, natural resource protection, and grant writing and administration. The Boards staffed directly by this Department include: Planning Board; Zoning Board of Appeals; Conservation Commission; Internal Traffic Committee; Affordable Housing Trust; Economic Development Commission; Disabilities Commission; and Historical Commission. Furthermore, this Department serves as an Ex-Officio member of the Downtown Business Improvement District Board of Directors, serves on the Board of Directors of the MetroWest Transit Authority and the 495 Partnership, and represents the Town of Hudson on the Metropolitan Area Planning Council (MAPC)

MAJOR RESPONSIBILITIES

Outlined below are the major responsibilities of the Planning and Community Development Department;

- Provide professional oversight and management of the development review (site plan review and special permits) and wetland permitting processes.
- Provide professional oversight and management of affordable housing development initiatives.
- Forge collaborative, successful partnerships for the planning, implementation and financing of economic development initiatives with the Downtown Business Improvement District (BID), Hudson Business Association (HBA), Hudson Cultural Alliance, and the Assabet Valley Chamber of Commerce
- Manage the analysis of zoning and land-use plans as well as the development and implementation of long-range planning documents including the Master Plan, Open Space Plan, Hazard Mitigation Plan, the Housing Production Plan, and the Downtown Parking Study.
- Manage the implementation of Capital projects sponsored by the Department
- Prepare and administer grant program funding applications for a wide-range of planning, economic development, and infrastructure initiatives. Typical funding program applications include the Community Development Block Grants (CDBG), Transportation Improvement Plan (TIP) requests, MassWorks Infrastructure Program; Municipal Vulnerability Program; Energy Efficiency and Conservation Block Grants (EECBG), Mass Preservation Projects Fund (MPPF),

Tax Increment Financing plans (TIFs), Recreational Trails, Local Energy Action Program (LEAP), MassDevelopment Site Readiness Program; Economic Development Fund (EDF), Community Preservation Act (CPA), Community Innovation Challenge Grants, Community Transformation Grants; Green Communities, and other related programs.

Budget Narrative**

Budget Message:

The FY'25 budget represents a total increase of 2% over the FY'24 budget that was approved at Town Meeting. Some important points to keep in mind. Personnel budget increase includes a 2% COLA for all employees. The additional increases are for either contractual or for those employees who may warrant a merit increase. There are no new planned positions at this time.

The increase in expenses are for postage as rates are going up effective 1/24 as well as the anticipated increase in the cost for the audit.

Personnel

6 Director of Finance \$ 132,734.00

The Director of Finance manages the administrative functions of all offices within the Finance Department and the Department of Information Technology and is the Town Accountant, with statutory responsibility for auditing and recording the Town's financial transactions. The Finance Department performs duties set forth under Chapters 40, 41, 44, 59, 60 and 61 of the Mass. General Laws pertaining to the offices of Accountant, Treasurer, Collector and Assessors.

7 Accounting Clerical \$ 119,019.00

The Assistant Finance Director/Assistant Town Accountant (AFD/ATA) and a Principal Clerk (with Educational Incentive) staff the Town Accountant's Office. The Accountant's Office examines bills and payrolls for legal and accounting compliance and authorizes payment for all Town disbursements. A complete set of ledgers and journals are kept to record appropriations, expenditures, transfers, receipts, adjustments, commitments, abatements, debt and other financial transactions. The office prepares monthly, annual and other periodic reports for the various Town Departments and Offices as well as financial reports for outside governmental entities such as the Commonwealth of Massachusetts. Amount is lower due to turnover in Assistant Finance Director position.

9 Assessing Clerical Wage \$ 118,226.00

An Administrative Secretary and a Principal Clerk staff the Office of the Board of Assessors. The Office of the Board of Assessors is responsible for determining the full and fair valuation of all real and personal property in the Town. This involves the preparation and maintenance of all property records, in the manner prescribed by the Massachusetts Department of Revenue, relative to establishing a tax rate. The office is responsible for processing for commitment to the Collector, tax bills for motor vehicle excise and real and personal property taxes as well as hearing and processing all appeals and requests for abatements and exemptions.

10 Treasurer/Collector Salary \$ 95,682.00

The Treasurer/Collector is the statutory official responsible for two of the offices within the Finance Department. An Assistant Treasurer/Collector, Administrative Secretary and a Principal Clerk staff the Treasurer/Collector's Office. The Treasurer's Office receives and is custodian of all funds of the Town including grants and gifts, revolving funds, trust funds, and funds of the Hudson Light and Power Department. The office is responsible for managing and processing the payroll and benefit accounts for

all municipal employees. The Treasurer is responsible for all long and short-term borrowing and conducts bids or negotiations for the issuance of all municipal debt. The Treasurer manages the investment of the Town's funds such that all obligations, including maturing bonds and notes, will be paid in a timely manner. The Collector's Office receives property and excise tax commitments from the Board of Assessors, which it sends out in the form of tax bills. The office collects all the receivables of the Town including water; sewer and electric rate charges and reports these and other collections to the Treasurer and the Accounting Officer. The Collector's office is responsible for processing refunds, initiating demand notices, tax liens and foreclosures on delinquent accounts. The amount is based on full staffing.

Information Technology Department

Memo

To: Thomas Gregory
From: Eron Dilo
Date: 11-2-2023
Re: O365 Systems and Application Administrator

Hello Tom,

I am requesting your approval to add an additional IT headcount to the Department next fiscal year.

This role needs to be a Manager level role who has a background in implementation of IT infrastructure projects. This individual will assist with IT projects such as the DPW new building set up, new software migration of Town and School, OpenGov viewpoint, social media, cloud migration of security services and any overflow of day to day networking operations and user support needs.

There is an increased demand for IT support, migration and implementation of technology which requires additional in-house support.

Please let me know if you have any questions. Thank you for your support.

Re: Budget FY25
Cc:

Increase in Operating Expense

Account # 0203

Office supplies increase due to mandatory requirement to send census every year. (M.G.L. Chapter 51, section 4). The cost of postage increases every year and I estimate that number to be .97 which includes having a private company process our mail which also lowers postage rate due to ability to carrier route sort for post office.

Dog tags increased due to projected mailing and material cost increases.

Account # 205

No need for maintenance of Dog program it is now under Open Gov but increase in envelopes. Due to the automatic voter registration introduced in January of 2023 by the VOTES ACT requires the RMV to remove "Opt out" from voting form the driver licenseing application. In turn, causes every voter to have a letter sent to them concerning there voter registration upon renewing. Previously, they could opt out and not receive a letter. By law, any change to a voter, a letter must be generated and sent to the voter. A voter, not wanting to be register to voter now need to send a letter stating such and causing another letter to be sent.

OpenGOV is a great tool for this department, but each of our transactions causes us to send mail. (Vital records, dog tags, business certificates). Laser Fiche maintenance projecting an icnrease for maintenance. All our vital records, town meeting votes are scanned into this program. This program makes it easier to find documents and saves labor time.

Account # 209

Increase due to cost of conferences for food, classes and stays for 2 employees attending. Classes are important componet to gain great knowledge of changes occurring in the Town Clerks world. Creating relationships with agencies and other towns help this department perform at our best.

Account # 211

Increase costs of membership.

Election and Town Meeting

Account # 0150

There are three elections in FY25. I have include labor for all three elections broken down according to the election. Each election is unique based on what's on the ballot.

I added in early voting election workers to help perform all the tasks that are included in early voting process. Much of this cost will be unfunded mandates reimbursed by the state with detailed reporting at a later date to be placed in general fund.

Early voting tasks: for FY 24 carrying into FY 25

In January of 24, a post card will be sent to all registered voters active and inactive in Hudson. Post cards will be recorded, filed for each and every day they arrive. If there are any problems with vote by mail application, a call or mail will be generated.

In February, ballots will arrive, the cards will be compared to a list of voters being mailed a ballot. A team will be set up to mail and record all ballots sent. Ballots are tracked by this record. Ballots are brought to post office. Some ballots will come back due to address issues and will need to be followed up.

Post cards are still arriving all year, online portal is sending applications, overseas portal is up and running needs to be monitored. Ballots are arriving back daily, ballots need to be recorded, filed alphabetically. Voters are moving and will need to be removed from relceiving a ballot if applied for during the year.

Another batch of post cards will be sent sometime in late July/early August to any registered voter not applying for a ballot from the previous mailing. Another post card again will be mailed in late September/ Early October to again any one that has not applied for a ballot by mail. This causes us to get duplicates, special messages, and other words to express voters interests. Each mailing causes more work in this office for elections while at the same time performing all other town clerk's responsibilites.

Training of election workers occur before every election. Preparing of the precinct boxes and precincts material occurs during all of this.

Advance processing of ballots in a public meeting will occur occur to attempt to help precincts for the September and November elections. Advanced processing includes 10-12 people opening ballots for each precinct, one at a time, carefully securing ballots to be delivered to individual precincts to be counted on election day.

Ballots that have not been opened will be careful sorted and packaged for delivery to the proper precinct by election workers prior to the election.

In-person early voting (M.G.L. 54,sec.25B) occurs during all of this, with at least 2-3 people per day for time period stated by law that we are mandated to be open.

November election typically is the largest voter turnout.

Town Election no major issue with Early Voting.

After a Presidential election, a post audit may occur with one or more of our precincts having to have a recount of a office. Requiring a need to hire election workers to preform such task.

Included in this budget is a small amount of money for a recount at any election, as well as another special town meeting.

Cost of printing Ballots increase due to projections of cost increase and postage. Ballots are printed with LHS in NH. Sent to us by UPS. This is already a conservative number.

FY25

0150 Permanent P.T. on Call

This money will cover the following election and town meetings. The amount requested varies widely from year to year depending on the number of elections and primaries held during the fiscal year. FY24 Hudson had (2) elections. Election reform introduced mail in voting, and early voting in person and voter registration 10 days before state election/primary. All election changes has created extra work for the clerk's office prior to, during election and after elections. After a Presidential Election a random audit is called. If one /or more of our precincts are pulled to be audited a hand count audit is held.

Each ballot that is processed by vote by mail or early voting has to be recorded and processed multiple times to assure accuracy. If a ballot is not sent back to Town Clerk's office, the voter still may go to the polls to vote.

Supporting Documentation for Assessors FY 2025 Budget Request

Submitted by the Board of Assessors 10/31/2023

The office of the Board of Assessors looks to improve its operations and taxpayer experience. For the past eight (8) years, the office has operated without a Town Appraiser. Instead, our department relied on our outside vendor, Vision Government Solutions, and expertise of Joanne McIntyre, who has been with the Town for over 30 years. The office will be seeking out services of a Town Appraiser or assistant assessor on a part-time basis this upcoming fiscal year. We will continue to run lean as we leverage not only our internal staff but also the services of Vision Government Solutions and other outside appraisal services. The intention is to have the office handle more and reduce the need for some of the outside services. This additional staff will be better able to serve our community. We continue to monitor the most efficient way to address these tasks to be able to adequately service the needs of the community. The office welcomed Neila Cardoza, as the new Principal Clerk, to the assessing staff. Both Joanne and Neila have handled the additional responsibilities with grace and confidence. It is vital that we begin succession planning and bring in additional staff. To do so, we plan on reallocating a portion of our budget reserved for appraisal services, currently used for our third-party vendor, Vision. In addition, we request a slight increase to afford a duly qualified candidate. This change will result in more personalized attention and will minimize errors, reduce abatements and the work necessary in running the day-to-day operations of the office. Assessor staff falls under the Finance budget.

The office of the Board of Assessors strives to maintain **accuracy** and **predictability** of a growing property base in Hudson during a time of ever-changing values in Metro West. The market and median sale prices are continuing upward trend – slow but steady. Hudson continues to be a highly desirable place in which to live. We consistently exceed the State requirements during the annual State Reviews and certifications.

The Vision Appraisal software is operating well. As noted, the Board continues to review supplementing this software to keep up with the technology and demands for information from the community. Accuracy of our software, expertise of our external resources and office staff continue to satisfy the communities' needs as evidenced by the small number of abatements as well as meeting State requirements.

There have been no increases in staffing levels of the department for over a decade now, even though the number and complexity of the assessment role has significantly increased. (More residential properties, more commercial, more complex valuation rules and taking on additional duties once handled by the previous Town Appraiser). The office continues to take on additional responsibilities as needed.

0008 Assessor Member Salary

\$32,152

The Board of Assessor's salary request a 2 % increase in alignment with other non-union departmental increases.

- The office continues to perform well, with the number of abatements granted being very low. This is indicative of the accuracy of our assessments and allows us to consistently obtain state approvals.
- The board continues to commit itself to the maintenance of high education levels in the Assessing area even though much of the additional training requires a loss of personal vacation time from our regular employment

- We make ourselves available for any members of the community, whether it is during our meetings or to provide a presentation as to the assessment process

0827 Conference/Training/Travel

\$2,500

- Cover the cost of the ongoing training that the Assessors need to take to stay abreast of the field.
- This includes attending MAAO annual educational programs
- This also includes attending MAAO Summer conference which not only provides an educational component but provides an opportunity to network with others in the field, including other assessors, staff of the Division of Local Services of the DOR and even commissioners from the Appellate Tax Board.

0828 Transcription/Deeds

\$ 0

- The quarterly Marshall and Swift computer updates for tracking building cost data relevant to our area for our computer tables
- Cost of binding office reference materials

1006 Appraisal/Software/Hardware

\$1,500

- Additional software and hardware needed in support of maintaining accurate assessments.

1007 Dues/Memberships

\$600

Assessors must belong to State and International associations as part of maintaining and improving skills.

1160 Appraisal Services – Vision / RRC

\$ 100,000

This cost is based on contractual services on a subcontract basis for Vision or an internal Assistant Assessor. Vision’s services from year-to-year change, especially in certification years. This includes both residential and commercial review and new growth calculations. These funds would also cover any professional services needed for experts and representations at an Appellate Tax Board hearing. Filings at the ATB are often unpredictable.

1161 R&M Software

\$14,000

This level of funding pays for the following:

- Software license fee to Vision Appraisal for real property evaluation
 - Making Property value data more accessible to Taxpayers hosted by Vision Government Solutions. Fee includes Web Hosting / GIS Maintenance.
- CAMA Maintenance - \$ 9,000 / Mobile Platform Yearly Maintenance - \$ 5,000.

1537 Paper/Forms/Printing

\$ 750

Required for purchase of Abatement books, Forms or various kinds, printing and for Hobbs & Warren expenses.

Subject: FY25 budget proposal

Hi Fernanda,

I see the PD budget recommended to SB tonight is \$5,000,071.

This doesn't match with what we had initially proposed.

I initially had \$4,397,149 for personnel and \$616,072 for expenses – a total of \$5,013,221

Tom had cut out \$5,000 from our recruitment account, which should leave us at \$5,008,221.

Looks like an additional \$8,150 was removed. Any idea where this occurred? Thanks

RD

**HUDSON POLICE DEPARTMENT
EXPENSE ACCOUNTS
DEPARTMENT HEAD RECOMMENDATIONS FOR FY25**

0215 ELECTRICITY **\$38,569.00**

This account funds the Department's electricity expenses at Police Headquarters. The figure recommended reflects a calculation using the formula provided. This amount is 80% of the new Police/DPW facility's electricity cost.

0216 WATER & SEWER **\$0.00**

This covers the expenses for water and sewer for the Police/DPW facility. I am recommending this account be funded at \$0.00 for FY25.

0217 REPAIR & MAINTENANCE OF EQUIPMENT **\$5,000.00**

This account covers the cost of repairing radar units, intoxilyzer machine, surveillance cameras, audio monitoring equipment, access control, and other equipment used by the department and its members. We are starting to experience repairs and replacement of equipment.

0218 TELEPHONE /COMMUNICATIONS **\$25,625.00**

The account is used to cover expenses for telephone communication fees, which include building, mobile and other wireless technology services. The Department has fourteen connections requiring CDMA service at \$40.00 per month and it is also committed to a monthly expense for data grade phone lines to operate our radio system. Maintenance/emergency response contract which is split with the DPW.

0219 RADIO **\$4,500.00**

The money in this account pays for repairs to the Department's radio equipment, which includes base radios, mobile radios, and portable radios. Replacement batteries for portable radios are purchased from this account. We are anticipating some expenses for routine maintenance associated with equipment breakdown.

0220 SAFETY **\$4,000.00**

Funds from this account are used to purchase supplies used by officers performing routine emergency services. Items such as officer survival pocket patrol packs, road flares, crime scene equipment, recharging fire extinguishers, measuring equipment, AED's, etc. are purchased from this account. Accreditation forces the purchase of some new items.

0221 COMPUTER

\$102,000.00

The computer account is used to pay for service contracts and maintenance of the department's many computer hardware and software systems. The department is currently under obligation for the following annual expenditures for service contracts on its equipment:

Digital Signage dashboard.....	\$1,600.00
Archive Social Platform Security.....	\$4,190.00
TIP411 (anonymous crime tips).....	\$5,300.00

Funds from this account are also used to maintain and update the eight mobile computers that are tied into our Tritech Software System, as well as peripherals controlling the MDT system. Morphotrust fingerprinting computer system is used to transfer arrested person prints to the State and Federal systems for instant identification. Crossmatch is used for fingerprints in the licensing and sex offender registry office. Network Fleet System is the department's vehicle GPS service. Programs designed to enhance and simplify office procedures and law enforcement investigations are also maintained through this account. Accessories such as printers, servers, monitors, controllers, etc., are bought from the computer account. Repairs to computer equipment, most of which is not covered under maintenance agreements, is deducted from this account.

0223 FIREARM SUPPLIES

\$34,000.00

This account covers the cost of ammunition, targets, cleaning supplies, firearm repair, etc. In response to state mandates, officers are now qualifying two times per year. Ideally, this number increases to 3x annually. The program also incorporates simunitions training (firing paint pellets in simulated real-life situations). Includes training ammo, duty ammo, rifle zeroing, CEMLEC SWAT training ammo, ammo for new recruits attending recruit academy training, and non-lethal items (pepper spray, OC pellets, targets, and cleaning supplies). Due to supply and demand, we continue to experience significant price increases.

0224 GASOLINE**\$59,839.00**

Using the formula provided the Department requests \$69,812.00 for this account in FY25.

0225 OFFICE SUPPLIES**\$16,200.00**

Supplies for daily office work such as small office machines, notebooks, pens, clips, copy cartridges and toner are purchased from this account. This account covers maintenance service agreements for the department's copiers, paper shredders, etc., and repairs and maintenance of other office equipment not covered by maintenance agreements. New office equipment and machinery, law books and materials for officers in training, and for updates and publications for the various offices and divisions within the police station. This account is used for the purchase of non-municipal detail forms, stationary, parking tickets, copy machine paper, letterhead, misc. forms, etc. This account supports the cost for supplies used by the Photo Fingerprint Department that includes, but is not limited to: printing costs, color cartridges, camera and fingerprint equipment, etc. Expenses for medical equipment, Narcan, and first aid supplies for building and emergency vehicles are drawn from this account. New for FY25 is the consolidation of accounts 0237, 0657, 0658, 0659, and 0660 into this account.

0226 VEHICULAR MAINTENANCE**\$30,000.00**

This account covers most repair costs, both parts and labor, to the town's fleet of eighteen marked and unmarked vehicles and police motorcycle. Repairs to cruiser lighting systems, sirens and other mobile electronics are drawn from this account, as are occasional insurance deductions and minor collision repair expenses.

0228 RENTAL & LEASING OF EQUIPMENT & FURNISHINGS**\$72,900.00**

This account covers the anticipated costs of funding year two of a five (5) year lease program of a police officer body worn camera and Taser program. Includes Performance audit license.

0229 UNIFORMS**\$57,950.00**

This account funds all contractual obligations for patrol officers, supervisors, dispatchers, crossing guards, parking control, and specialist assignments. New officers require academy gear and uniforms and full "Seabags" at time of academy graduation at a cost of approximately \$3,000 per officer. Sworn officer badges for new hires and promotions, and new hire setup and miscellaneous clothing items.

0231 CONFERENCE /TRAVEL/TRAINING**\$21,250.00**

This account covers contractual obligations of paying mileage to and from school, seminars, court, and academy training. Periodically, officers and supervisors attend classes and seminars requiring compensation for meals and accommodations. This account also funds courses that are required for specialized training for department members. Regular specialized training is imperative for officers to stay current with the constantly changing laws and practices in the law enforcement arena. Department personnel regularly attend classes and seminars such as Supervisor Management Training, Firearms Licensing Updates and Civil Liability Seminars, and specialized training for professional growth. Costs associated for new hires attending the basic police recruit academy is funded in this account. Certain prerequisites must also be satisfied before academy entry is approved. New Pre-hire employment testing is also paid from this account. Newly promoted supervisors attend Command Training. It also funds expenses associated with the Chief's professional development programs and regional monthly Chief's meetings. Increased training mandates in response to police reform and POST.

0232 PROFESSIONAL/TECHNICAL

\$14,500.00

Account used for special investigations and payment of access to TLO Investigative Services per use. The Department subscribes to CodeRed, the community notification system designed to quickly notify our residents and business owners of any significant event or emergency. There is a \$6,250.00 per year subscription fee. This account also funds costs associated with the services of an outside special internal affairs investigator.

0235 DUES & MEMBERSHIPS

\$16,650.00

Funds membership fees for the Department, Command Staff, and other members of the department. Examples: Mass Chief's Assoc., Central Mass Chiefs of Police Assoc., Middlesex Chiefs, International Chiefs of Police Assoc., NESPIN, State Procurement Councils, Legal Defense Fund, FBI LEEDA, and the Community for Restorative Justice Program (\$2,500). New to 2020 are CEMLEC (\$750), Massachusetts Police Accreditation Program (\$2,300), Advocates Jail Diversion Program fee (\$7,500).

0240 CLEANING

\$1,500.00

Anticipated cost for cleaning of blankets used in cell blocks, blankets are kept clean for prisoners use. This account also pays for specialized cleaning of cruisers and cells due to infectious diseases from prisoners who come in contact with our cruisers and facilities. This account may also cover cleaning uniforms that are soiled due to unusual circumstances. Costs associated with COVID-19 are increasing.

0241 DETAINEE MEALS

\$1,000.00

This account covers the cost of food supplied to the arrestees while in our custody.

0665 PARKING TICKET SERVICE

\$ 0.00

Expenses for purchasing parking ticket and Town by-law supplies are drawn from this account. I am recommending this account be funded at \$0.00 for FY25.

1366 NATURAL GAS..... (Estimated) \$20,164.00

Using the formula and chart supplied in the budget worksheet, I am recommending this account be funded at \$19,768.00 (estimated) for FY25.

1893 ANIMAL CONTROL CONTRACT SERVICE **\$56,925.00**

Compensation for the contracted Animal Control Officer is drawn from this account, includes expenses associated with animal testing, feed, and disposal. This figure represents an estimate of fees for an ACO contract in FY25. New for FY25 is the consolidation of account 1894 into this account.

1895 OFFICE FURNITURE/BLD EXPENSES **\$6,000.00**

This account covers costs to purchase, replace, or repair furniture and specific items for the building, fitness center, and garage. We anticipate repairs or replacement for various desks, chairs, and fitness equipment in FY25.

3195 SPECIAL EVENTS SUPPLIES **\$10,000.00**

This account covers expenses associated and related to community events such as the Holiday Stroll, RecFest, Down-Town Trick or Treat, and the Hudson Police Youth Academy. The newly created Community Action Team will host many yearly events, including an anticipated citizen academy. This account covers costs to purchase specific items needed for these events.

3879 RECRUITMENT & PROMOTION **\$15,000.00**

In May of 2021, the town voted to remove the police department from civil service. This account will be used to cover expenses needed to retain services of a vendor to administer any entrance exams for new police officers and/or promotional assessments and associated processes for existing officers.

3878 K9 SUPPORT **\$2,500.00**

In 2020 the department established a new K9 unit. In 2021 the department established a community resource dog program. Both programs were initially funded by grants and/or donations. This account will be used to fund any unanticipated expenses that may occur to support both canines.

**HUDSON POLICE DEPARTMENT
PERSONNEL SERVICE
DEPARTMENT HEAD RECOMMENDATIONS FOR FY25**

0029 POLICE CHIEF SALARY **\$132,734.00**

Chief's salary for FY25.

0031 POLICE LIEUTENANT SALARY **\$318,048.00**

Salary for three (3) police lieutenant's at PL-3 (1) and PL-5 Max (2) for FY25.

0032 POLICE SERGEANT WAGE **\$521,505.00**

Salaries for six sergeants at maximum step PS-6 (3), step PS-5 (1), and step PS-3 (2) for FY25.

0033 PATROLMAN WAGE **\$1,743,182.00**

Contractual agreement for 25 full-time patrol officers. P1-MAX (16), P1-V (4), P1-III (4), and P1-II (1).

0034 DISPATCHER WAGE **WARRANT ARTICLE FUNDING**

One Communications Supervisor at M5-8. Nine full-time dispatchers and two part-time dispatchers: One dispatcher at Grade 10D Senior, two dispatchers at Grade 10D-8, two dispatchers at Grade 10B-4, two dispatchers at Grade 10B-3, and two dispatchers at Grade 10B-2. Includes holiday pay. This expense will be funded in a separate warrant article.

0038 CLERICAL WAGE **\$91,081.00**

Contractual agreement for the Chief's Administrative Assistant at Grade M4-8 and one part time Senior Clerk for 19.5 hours weekly at NU-D2.

0039 CROSSING GUARDS **\$95,826.00**

There are nine (9) Crossing Guards at various steps of the non-union NU-B scale that cover nine locations. All guards work three hours per day for 180 days per year.

0040 MATRON **\$0.00**

I am recommending that this account be funded at \$0 for FY25.

0041 OVERTIME **\$456,333.00**

This account will cover the costs of three elections, two town meetings, various community events, training, and DPW road assistance for approximately 800 hours. An estimate of over 600 shifts will need coverage due to vacations, sickness, injuries, and emergency leave. Additional hours needed for investigations such as narcotics, serious motor vehicle accidents, etc. are also paid by this account. The Department has four officers in a regional team of highly trained specialists who respond to critical incidents, a K9 handler, a CRD Handler, all with 16 hours of mandated training per month and various critical incident callouts each month. Overtime compensation for officers serving as field training officers and interpreters.

0045 SHIFT DIFFERENTIAL **\$56,504.00**

This account will cover contractual obligations of paying a 4% shift differential to police sworn personnel working the evening and midnight shifts.

0046 COURT APPEARANCE **\$38,884.00**

This account will cover the anticipated costs associated with police personnel attending Marlboro District Court and Middlesex Superior Court. Police personnel receive a minimum of 4 hours pay for district and superior court appearances. Police Dispatchers continue to be summonsed into court by District Attorneys and Assistant District Attorneys to verify information on communications received by the police department. Courts continue to address backlogged cases in addition to new and current caseloads, resulting in increased overtime costs associated with police personnel court appearances.

0047 LONGEVITY **\$22,100.00**

This account will cover the costs of contractual longevity payments for both union and non-union personnel.

0131 RESERVE OFFICER WAGE **\$0.00**

I recommend that this account be funded at \$0.00 for FY25.

0132 SPECIALISTS STIPEND **\$92,060.00**

This account will cover specialist pay and stipend obligations provided in Union Contracts, personnel regulations, and police chief employment contract. Pursuant to the Patrolman's Contract, the department's Detectives and School Resource Officers each receives annual stipends. The Firearms Instructors (2) each receive an annual stipend. Under the Superior's Contract, a Detective Sergeant and the Court Prosecutor each receive an annual stipend. K9 handler position, accreditation stipend for all sworn staff, and a body worn camera stipend for specified patrol officers and supervisors.

0619 HOLIDAY **\$139,937.00**

This account will cover the contractual obligations for 12 paid holidays for the police personnel.

0653 SICK LEAVE BUY BACK **\$51,790.00**

This account will cover the estimated costs for personnel for sick leave buy-back.

0946 INCENTIVE/DEGREE **\$441,164.00**

This account provides the funds to meet contractual obligations for educational stipends (Quinn Bill) for the department's members who currently qualify for this benefit. Degree incentive pay is a result of the revocation of civil service.

1387 POLICE CAPTAIN SALARY **\$114,923.00**
Captain's salary for FY25.

1616 PARKING CONTROL OFFICER **\$23,298.00**

This account pays one (1) parking control officer for approximately 19 hours per week. The Parking Control Officer will be paid at NU-D8.

3194 SPECIAL EVENTS OVERTIME **\$ 57,780.00**

This account covers officer's overtime associated and related to events such as Youth Academy, Downtown Holiday Stroll, Pumpkin Feast, Downtown Trick or Treat, Community Fest, and various other events. Costs to staff the bicycle patrol unit to cover the rail trail and downtown areas on weekends are drawn from this account. Community Action Team events, estimated at one (1) community event per month. Events such as Coffee with a Cop, Neighborhood Watch Programs, Juvenile Athletic Leagues, etc. This account covers costs to adequately staff these important community events. New in FY24 was funding from BID in the amount of \$5,000 to support downtown events.

**ACCOUNT 2200
FIRE DEPARTMENT SALARY
FY 25**

The personnel budget for the Fire Department reflects a contractually negotiated step increase for the non-union Fire Chief, step increases for the Deputy Fire Chiefs, a 2% cost of living increase for Administrative Secretary, an estimated 2% cost of living increase for firefighting personnel and contractually negotiated educational incentives.

We have submitted our FY25 budget as requested under the suggested guidelines from the Executive Assistant.

0030 Fire Chief Salary **\$ 177,706**

This is mid-range salary being offered, along with a mid-year increase.

0035 Firefighters Wage **\$1,843,334**

This amount is for 24 firefighters. They work a 24-hour duty shift, twice every 8 days, rotating through an 8-week cycle that averages 42 hours per week. All Firefighters are EMT-D's and are paid an additional 6% of their base pay as per their labor bargaining agreement, and includes an estimated 2% increase

0036 Call Firefighter Wage **\$ 2,700**

This line item is level funded and supports our on-call firefighting force that has decreased due to attrition and promotions.

0037 Admin Wage **\$ 72,679**

This reflects a 2% Cola

0050 Firefighter Auxiliary Wage **0**

This line item is level funded increase and supports our auxiliary personnel.

0051 Fire Operations Deputy Chief **\$ 128,714**

This reflects the Deputy Fire Chief Position M9, with EMT stipend.

0051 Training and Fire Prevention Deputy Chief

\$ 128,353

This reflects the Training and Fire Prevention Deputy Fire Chief position M9, with EMT stipend.

0052 Lieutenants Wage

\$ 741,579

This amount is for 8 lieutenants. They work a 24-hour duty shift, twice every 8 days, rotating through an 8-week cycle that averages 42 hours per week. All lieutenants are EMT-D's and are paid an additional 6% of their base pay as per their labor bargaining agreement and includes an estimated 2% increase.

0053 Overtime

\$ 567,720

The following is an explanation of the standard overtime line item; Firefighters are frequently recalled in order to provide sufficient manpower to provide continuous public safety. Callback types may include, but are not limited to, structure fires, large area brush fires, hazardous material incidents, mutual aid responses, medical emergencies complex rescue incidents and weather-related events. This amount also provides required training and fire prevention. This amount also reflects an amount required to keep staffing levels at safer levels throughout the year. It also takes into consideration new contractually agreed educational incentive differentials.

0054 Holiday

\$ 191,050

Twelve holidays at contractual rate for 24 firefighters and 8 lieutenants with an estimated 2% increase as well as twelve holidays for Chief and Deputies.

0055 Degree Pay

\$ 16,660

Two department members with associates' degrees receive \$1,150.00, five department members with bachelors' degrees receive \$1,672.00, and one deputy with a bachelor's degree receives \$6,000.00.

0058 Sr Clerk Wage

\$ 19,945

The senior clerk position has been an historical position within the Hudson fire department dating back several decades. In March of 2020 this position became

unfunded due budgetary restrictions associated with the COVID-19 pandemic. Restoration of this position will provide needed coverage administrative assistant absences and other operational commitments.

0068 Director, Emergency Management **0**

This amount will pay the Director's stipend and reflects the level of responsibilities associated with the position.

0078 Specialist Stipend **\$4,000**

There are 4 Firefighters assigned as Equipment Maintenance persons to perform preventive maintenance and repairs on various pieces of equipment and buildings.

0593 Longevity **\$ 17,350**

Persons who meet the requirements for longevity payments will receive such payments in accordance with union contract and Town Personnel Regulations.

0594 Sick Leave Buy Back **\$ 110,883**

Persons accumulating sick leave in excess of Town by-law are paid at a rate determined from that by-law and/or union contract. This figure reflects 75% of the estimated total amount, plus an amount to cover the combined buy-back payoff for the retirement of 1 Firefighter, 1 Lieutenant and 1 Deputy, and includes an estimated 2% increase.

1473 Assist Director, Emergency Management **\$6,000**

The responsibility of the Assistant Director has changed drastically in the past several years. This person is responsible for tracking all municipal assets while conducting mitigation and or recovery operations during declared emergencies.

1718 Emergency Management Secretary **\$4,800**

The Emergency Management Secretary is responsible for working with the Director, all Town Departments, the Massachusetts Emergency Management Agency and the Federal Emergency Management Agency in order to recover municipal funds through disaster declarations for local disasters.

Business Improvement District/Downtown Initiatives

\$5,000

This supports the requests received for the fire department to support town-wide events that require fire department municipal details providing EMS and other life safety duties for residents and visitors attending these events.

Credential Incentive Placeholder

\$20,000

This supports a proposed contractual obligation for an fire service credentialing incentive program.

**ACCOUNT 2200
FIRE DEPARTMENT EXPENSE
FY 25**

0239 FIRE DEPARTMENT EDUCATIONAL MATERIALS \$ 12,000

The amount requested covers the cost of Fire Prevention programs for all Hudson citizens, from elementary school children to the elderly. This account provides also materials for training and fire investigation, including Fire Code Updates, audio & visual supplies and other materials utilized for both fire prevention and education. The requested amount also covers the expenses associated with various conferences required for to maintain department eligibility for grant awards.

0242 ELECTRICITY \$ 31,945

This request is for three locations and based off the energy budget worksheet supplied by the Office of the Executive Assistant.

0243 TELEPHONE \$ 11,600

Requested amount covers the cost of the telephones at all stations for the receipt of emergency calls and business information. This includes cell phones for front line apparatus, chief fire officers and iPads for inspectional services.

0244 WATER & SEWER \$ 5,000

Requested amount covers water and sewer for 3 fire stations and bottled water.

0245 TRAVEL \$ 400

Covers attendance to all Fire Chief associated meetings and professional development seminars.

0246 NATURAL GAS \$ 24,689

This request is for three locations and based off a 2% increase over the FY24 budget.

0247 R&M EQUIPMENT \$ 85,000

This budget covers the repairs of all fire department vehicles as well as maintenance, annual inspection and/or annual certification for other fire department equipment including, but not limited to, tires, vehicle exhaust removal systems, generators, ladders, portable pumps, boats, compressors, etc. This also includes repairs and maintenance to all firefighting and emergency rescue equipment and the tools used in their maintenance. As vehicles and equipment depreciates in value, the cost of repairs increases. A modest increase of \$10,000 over last years budget is requested to offset increases.

0248 EQUIPMENT

\$45,000

This increase reflects the increased expenditures over the last several years. This account takes care of the replacement and upgrade of all Fire Department related equipment. This includes, but is not limited to the purchase of turn out gear @ appx. \$5,000.00 per set (two sets are required for firefighters), firefighting tools, communications equipment and office equipment. An additional sum of \$5000.00 is requested for professional cleaning and inspection of turn-out gear. A modest increase of \$5000.00 is requested over last year's budget for inflationary considerations.

0249 UNIFORM ALLOWANCE

\$21,600

The contractual uniform allowance for each firefighter and lieutenant is \$600 (32). The non-union uniform allowance is \$800 (3).

0250 DIESEL/GASOLINE

\$ 24,934

This request represents \$5,245 for gasoline, \$19,689 for diesel and is based off the energy budget worksheet supplied by the Office of the Executive Assistant.

0251 EMERGENCY MANAGEMENT / HAZ MAT EXPENSE

\$ 2,000

This amount helps to cover costs incurred as a result of emergency management incidents, attendance at mandatory meetings and seminars, communications equipment and services, plus supplies to support the agency.

0252 OXYGEN/FIRST AID

\$ 18,000

These funds provide epinephrine and Narcan, used more than ever by our life saving first responders to combat the increase in anaphylaxis and overdoses in our community. These funds also purchase all expendable medical supplies and replacement of equipment for first aid kits and defibrillators for all vehicles. The items purchased in this account are necessary to meet state Office of Emergency Medical Services (OEMS) protocols including all licensing.

0255 OFFICE SUPPLIES

\$ 8,000

This budget is for the purchase of all department office supplies, software, and office equipment maintenance contracts.

0257 MEDICAL

\$14,368

This line item covers contractual physicals, cardiac monitored stress tests, entry level physicals and Hepatitis shots for all personnel. This amount also covers annual respirator fit testing.

0258 JANITORIAL SUPPLIES

\$ 10,760

This covers the purchase of supplies to clean all stations and all vehicles as well as a drain maintenance program for HQ. These supplies include all cleaning and sanitization products, soaps, waxes, rags, brushes, brooms, mops and laundering products, as well as paper products used in kitchens and bathrooms.

0263 DUES/ MEMBERSHIP & LICENSES

\$9,500

This amount covers the increased cost for memberships, and publications, as well as EMT recertification costs for all firefighting personnel.

0265 R&M BUILDINGS

\$103,778

This budget provides for the upkeep of three fire stations, including maintenance of electrical, plumbing and heating systems as well as structural repairs needed. Increase also includes service contracts needed for building systems maintenance, including, but not limited to a new preventative maintenance contract for the newly installed heating system at HQ. Additionally, a payment of \$43,778 is required for post-warranty maintenance support of the recently upgraded fire and police public safety radio system. A modest increase of \$5,000.00 plus the difference in last years post-warranty support make up this FY25 year request.

0591 MEALS

\$ 500

In the event of large-scale incidents, including Mutual Aid from neighboring communities, this account will be used to provide food and beverages for firefighters at the scene.

1383 PERSONAL PROPERTY DAMAGE FUND

\$ 750

Per current bargaining agreement, this fund is set up to reimburse fire department employees for damage to, or loss of, certain personal property during the course of actual performance of their duties in the employment of the Town when defined conditions are met.

FIRE DEPARTMENT IT SUPPORT

\$39,186

This line provides fire department server support, online burn permitting program, replacement of desktops and monitors for the fire department and Station Smarts® which is the national fire incident reporting software the Hudson Fire department utilizes for state and federal reporting purposes.

FY'25 ACCOUNT #4212 PUBLIC WORKS PARKS/CEMETERY/FORESTRY

THE PARKS DIVISION IS RESPONSIBLE FOR THE DAILY MAINTENANCE OF OVER 60 ACRES OF LAND USED BY BOTH PASSIVE AND ACTIVE RECREATIONAL GROUPS, ORGANIZATIONS AND INDIVIDUALS WITHIN THE TOWN. THE DEPARTMENT IS RESPONSIBLE FOR THE OUTSIDE GROUNDS MAINTENANCE AT THE LIBRARY, POLICE STATION, COA AND TOWN HALL. ADDITIONAL EQUIPMENT HAS BEEN PURCHASED WHICH INCREASES THE PERFORMANCE AND PRODUCTIVITY. AS THE USE OF THE MANY FIELDS AND PARKS GREATLY INCREASES, IT BECOMES MORE DIFFICULT TO PROVIDE THE SERVICES REQUIRED BY THESE MANY ORGANIZATIONS. IN MANY CASES, NO TIME IS ALLOWED FOR MAINTENANCE OR REGENERATION OF THESE FACILITIES.

THE CEMETERY DIVISION MAINTAINS TWO CEMETERIES: FORESTVALE AND MAIN STREET; THERE WERE 85 INTERMENTS IN FY'23 AND SOLD 42 NEW LOTS. LANDSCAPING MAINTENANCE IS PROVIDED BY GRASS MOWING, LEAF COLLECTION, LOAMING, AND RE-SEEDING. THREE INDIVIDUALS ARE ASSIGNED ON A FULL-TIME BASIS. CURRENTLY, THE COST ASSOCIATED WITH THE UPKEEP IS PROVIDED BY TOWN FUNDS AND INTEREST FROM PERPETUAL CARE FUND. THROUGH THE CAREFUL PURCHASE OF EQUIPMENT, THE DEPARTMENT HAS BEEN ABLE TO MAINTAIN A HIGH LEVEL OF SERVICE WITHOUT INCREASING PERSONNEL. EXPANSION AND DEVELOPMENT OF AN ADDITIONAL SECTION IS ON GOING. WE RENOVATED THE GARAGE AND OFFICE.

THE FORESTRY DIVISION IS RESPONSIBLE FOR THE REMOVAL OF DEAD TREES ON PUBLIC PROPERTY. IT ALSO PROVIDES ASSISTANCE IN THE REMOVAL OF BRUSH ALONG THE SIDES OF ROADWAYS AND INTERSECTIONS. THE DEPARTMENT REMOVES APPROXIMATELY 40 TREES PER YEAR.

FY'25 ACCOUNT #4215 PUBLIC WORKS STREET MAINTENANCE

THE STREET DEPARTMENT PROVIDES THE MOST DIVERSE LEVELS OF SERVICE TO THE TOWN. IT IS RESPONSIBLE FOR THE MAINTENANCE OF OVER 90 ROADWAY MILES WHICH INCLUDE DRAINAGE, GUARDRAILS, STREET SIGNS, WARNING SIGNS, REGULATORY SIGNS, TRAFFIC LINE PAINTING, ROADSIDE CLEAN-UP, TRENCH REPAIR, PARKING SPACES, CROSSWALKS, STOP LINES AND TRAFFIC LIGHTS.

THIS ACCOUNT PROVIDES FOR THE ANNUAL SWEEPING OF EACH ROAD AND THE WEEKLY SWEEPING OF THE DOWNTOWN BUSINESS DISTRICT. TRAFFIC LINES, ALL CROSSWALKS, PARKING SPACES AND STOP LINES ARE PAINTED BY A PRIVATE CONTRACTOR ON AN ANNUAL BASIS.

THE REPAIR OF POTHoles AND SUNKEN TRENCHES IS MOST IMPORTANT IN RESPECT TO THE TOWN'S LIABILITY WITHIN THE ROADWAYS. IF A DANGER WITHIN THE ROADWAY IS NOT REPAIRED WITHIN 24 HOURS OF NOTIFICATION, THEN THE TOWN MAY BE HELD RESPONSIBLE FOR ANY DAMAGE OCCURRING TO THE MOTORING PUBLIC.

THERE ARE APPROXIMATELY 2,521 CATCH BASINS WITHIN THE TOWN. ALL CATCH BASINS WILL BE CLEANED EVERY OTHER YEAR DUE TO THE REDUCTION IN USE OF SAND THROUGHOUT THE WINTER.

THE DEPARTMENT IS RESPONSIBLE FOR THE MAINTENANCE OF APPROXIMATELY 40 MILES OF SIDEWALK. CONCRETE SIDEWALKS ARE STILL BEING REPLACED AS REQUIRED. BROKEN BERM IS REPLACED AS NECESSARY.

THE DEPARTMENT REPLACED A LARGE FAILED CULVERT AND ENHANCED THE INTERSECTION OF COX STREET, OLD BOLTON ROAD AND OLD STOW ROAD.

FY'25 ACCOUNT #4230 PUBLIC WORKS SNOW & ICE

THE REMOVAL OF SNOW AND ICE FROM THE TOWN'S WAYS BECOMES THE MAJOR RESPONSIBILITY OF THE DEPARTMENT FOR THE WINTER PERIOD. PREPARATION BEGINS EARLY WITH THE CHECKING AND REPAIRING OF EQUIPMENT, THE ASSIGNMENTS OF ROUTES AND GENERAL PROCEDURE INSTRUCTIONS TO EMPLOYEES. AS EACH STORM IS DIFFERENT, THE APPROACH FOR TREATMENT OR REMOVAL MUST BE FLEXIBLE TO OPERATE, YET MAINTAIN THE POLICY OF PROVIDING ADEQUATE, SAFE PASSAGE FOR THE PUBLIC.

EIGHT TRUCKS ARE USED FOR PRIMARY TREATMENT WITH EITHER SALT OR SAND/SALT MIX. DURING PLOWING OPERATIONS 30 TOWN TRUCKS, 3 TOWN LOADERS AND 9 PRIVATE TRUCKS ARE USED FOR THE CLEARING OF STREETS, PARKING LOTS, PUBLIC BUILDINGS AND SCHOOLS. SNOW IS REMOVED FROM THE BUSINESS DISTRICT AFTER EACH STORM. ADDITIONAL STREETS HAVE SNOW REMOVED AS TIME PERMITS ON A SCHOOL WALK ROUTE PRIORITY BASIS.

FOUR SIDEWALK TRACTORS WILL PLOW APPROXIMATELY 20 MILES OF SIDEWALK AFTER EACH SNOWSTORM.

IN FY 22' APPROXIMATELY 15,350 GALLONS OF LIQUID CALCIUM AND 3,057 TONS OF SALT WERE PURCHASED FOR WINTER OPERATIONS. SNOW ACCUMULATION WAS APPROXIMATELY 48 INCHES, OVER 14 WINTER EVENTS, AS MEASURED AT THE D.P.W. YARD.SSARY.

0310	OVERTIME	\$137,795
	REQUESTED TO PAY FOR THOSE HOURS WORKED IN EXCESS OF 40 HOURS. MOST SANDING OPERATIONS OCCUR DURING THE NIGHT AFTER MELTING DAYTIME TEMPERATURES. THE REMOVAL OF SNOW FROM THE DOWNTOWN AREA IS UNDERTAKEN AFTER MIDNIGHT AND BEFORE 6:00 A.M. MOST STORMS HISTORICALLY OCCUR AT NIGHT, ON HOLIDAYS OR WEEKENDS REQUIRING THE PAYMENT OF OVERTIME. THIS WILL INCREASE WHEN UNION CONTRACTS ARE NEGOTIATED.

FY'25 ACCOUNT #4500 PUBLIC WORKS WATER

THE WATER DEPARTMENT SUPPLIED THE TOWN IN FY'23 WITH OVER 562 MILLION GALLONS OF WATER FROM 7 SOURCES: ONE SURFACE RESERVOIR AND 5 SUBSURFACE WELLS. THERE ARE 5 STORAGE TANKS AND 8 PRESSURE BOOSTER PUMP STATIONS WHICH PROVIDED ADDITIONAL CAPABILITIES FOR FIRE PROTECTION AND THOSE TIMES WHEN THE DEMAND EXCEEDS THE ABILITY OF THE SYSTEM TO SUPPLY THE DISTRIBUTION SYSTEM. EACH SOURCE IS CHECKED DAILY FOR CONTINUOUS OPERATION AND THE ADDITION OF REQUIRED CHEMICALS. MONTHLY AND QUARTERLY TESTS ARE TAKEN TO ASSURE THE QUALITY OF THE WATER IS CONSISTENT WITH APPLICABLE WATER QUALITY STANDARDS AS OUTLINED BY DEP. MONTHLY TESTS WERE PERFORMED FOR COLI-FORM, PFAS, AND IRON AND MANGENESE. QUARTERLY AND ANNUAL TESTS FOR PESTICIDES, NITRATES, SYNTHETIC, AND VOLATILE ORGANIC AND INORGANIC ELEMENTS. TOTAL WATER QUALITY TESTING IS OVER 2400 ANNUALLY. COPIES OF ALL TEST RESULTS ARE AVAILABLE FOR INSPECTION IN THE PUBLIC WORKS OFFICE. THE 2022 ANNUAL DRINKING WATER QUALITY REPORT WAS MAILED TO ALL RESIDENCES IN JUNE OF 2023 AS REQUIRED BY DEP. THIS REPORT, AS WELL AS WATER DROUGHT CONDITIONS, CAN BE FOUND ON THE TOWN'S WEBSITE

THE METERING OF THE WATER PROVIDES REVENUE TO THE TOWN. THREE PERSONNEL READ METERS THREE TIMES PER YEAR AND ONE READING IS ESTIMATED FOR BILLING PURPOSES. THE DISTRIBUTION SYSTEM CONTAINS OVER 95 MILES OF PIPE IN VARIOUS SIZES BETWEEN 6" AND 18" DIAMETER. THERE ARE OVER 1042 HYDRANTS THAT PROVIDE FIRE PROTECTION THROUGHOUT THE TOWN.

THE CURRENT GROUNDWATER SOURCES OF WATER CONTAIN HIGHER LEVELS OF IRON AND MANGANESE WHICH NECESSITATE ADDITIONAL TREATMENT AND REMOVAL. THESE ELEMENTS ARE REMOVED BY TREATMENT AND FILTRATION AT THE CHESTNUT STREET FILTRATION PLANT. THE WATER MANAGEMENT ACT PERMIT IS STILL UNDER REVIEW BY DEP. PRELIMINARY INDICATIONS ARE THAT THE TOTAL PERMITTED VOLUME OF WITHDRAWL WILL BE REDUCED FROM CURRENT PERMIT CONDITIONS. ADDITIONAL WATER USE RESTRICTIONS MAY BE PART OF THE RENEWED PERMIT AS WELL AS OTHER MITIGATING MEASURES.

BOTH MA DEP AND TOWN REGULATIONS REQUIRE ALL BACKFLOW DEVICES TO BE TESTED ANNUALLY/SEMI-ANNUALLY. A \$75.00 TEST FEE IS CHARGED FOR THE 1,800 DEVICES REQUIRED TO BE TESTED BY THE TOWN.

CRANBERRY WELL GAC PFAS REMOVAL SYSTEM: THIS SYSTEM HAS BEEN ONLINE SINCE JULY 11, 2019. ALL SAMPLING RESULTS FOR FINISHED WATER HAVE BEEN NEGATIVE FOR PFAS. CHESTNUT STREET GAC PFAS REMOVAL SYSTEM: THE CHESTNUT STREET PERMANENT GAC PFAS TREATMENT PLANT HAS BEEN ONLINE SINCE AUGUST 9, 2022. ALL SAMPLING RESULTS FOR FINISHED WATER HAVE BEEN NON DETECT FOR PFAS. ADDITION OF A NEW LINE ITEM (WATER TREATMENT MEDIA) TO INCLUDE THE CARBON MEDIA REPLACEMENT FOR THE TWO PFAS REMOVAL SYSTEMS.

FY'25 ACCOUNT #4400 PUBLIC WORKS SEWER MAINTENANCE

THE SEWER DEPARTMENT UNDER THE SUPERVISION OF THE CHIEF OPERATOR WAS RESPONSIBLE FOR THE TREATMENT OF OVER 581.85 MILLION GALLONS OF SEWAGE IN FY '23, THE MAINTENANCE OF THE TREATMENT PLANT, FOURTEEN SEWER PUMP STATIONS AND APPROXIMATELY 50 MILES OF SEWER PIPES. THE OPERATION MUST COMPLY WITH BOTH STATE AND FEDERALLY MANDATED DISCHARGE PERMIT REQUIREMENTS, WHICH CONTAIN EXPLICIT FINES FOR NON-COMPLIANCE. THE PLANT IS OPERATED SEVEN DAYS PER WEEK WITH EACH PUMP STATION ALSO BEING CHECKED DAILY. PREVENTATIVE MAINTENANCE ON ALL EQUIPMENT IS PERFORMED BY PLANT MAINTENANCE PERSONNEL. DAILY LABORATORY WORK IS NOW DONE BY THE ASSISTANT CHIEF OPERATOR. THE DEPARTMENT RESPONDED TO 27 COMPLAINTS WITH 18 MAIN STOPPAGES IN FY '23. THE DISPOSAL OF SLUDGE IS ACCOMPLISHED IN AN APPROVED, ENVIRONMENTALLY SOUND MANNER BY HAVING IT TRANSPORTED BY A PRIVATE FIRM TO AN APPROVED LANDFILL SITE. THE I/I STUDY HAS IDENTIFIED THOSE GENERAL AREAS WHERE MITIGATING MEASURES MUST BE UNDERTAKEN TO REMOVE EXCESS WATER THAT INCREASES OPERATION COST. THIS REMOVAL HAS RESULTED IN AN AVERAGE DAILY FLOW REDUCTION OVER THE PAST SEVERAL YEARS. THIS YEAR THERE ARE ADDITIONAL TESTING REQUIREMENTS ESTABLISHED BY THE EPA AND DEP IN ORDER TO MEET WATER QUALITY TOXICITY DISCHARGE LIMITS.

Board of Health Budget Narrative (FY'25)

0064	Clerical (BOH Admin)	\$61,771
The Health Department Administrator provides clerical support for the Department and Board of Health, including taking BOH meeting minutes, processing weekly payroll, accounting duties, coordinating clinics/events, etc. 100% funded by BOH budget. M3 step 6 at FY25 end. <i>If we do not bring this position 100% on the town budget as proposed, it would be \$30,885.50.</i>		
0980	Elected/Appointed	\$4,000
Stipend for 3 BOH members. Same as FY24 and previous years.		
2337	Public Health Director	\$100,935
Director position. M8 step 8 at FY25 end. 100% funded by BOH budget.		
2497	Sanitarian	\$76,660
Oversees most environmental health aspects of the department, including housing, restaurant, pool and camp inspections, as well as Title V reviews and more. 100% funded by BOH budget. M5 step 8 at FY25 end. <i>If we do not bring this position 100% on the town budget as proposed, it would be \$61,328.</i>		
2873	Longevity	\$775
Longevity pay for 1 employee (Sanitarian).		
0284	BOH Expenses	\$1,000
Costs related to constable services, work-related mileage reimbursements, and other miscellaneous expenses. Same as FY24, which was a \$500 decrease from FY23.		
0362	Community Nursing Program	\$4,000
Costs related to providing necessary public health nursing services (communicable disease follow-up, blood pressure clinics, and bone density clinics). Same as FY24, which was a 50% decrease from FY23.		
0981	Contracted Services	\$1,400
Costs related to beach water quality testing during bathing season for Centennial Beach. Weekly testing price has doubled from \$50/test to \$100/test, hence the 50% increase on this line item.		
0986	Advertising	\$100
Costs related to legal ads. Same as FY24.		
0987	Office Supplies	\$600
Office supplies, inspection forms, licenses, etc. Same as FY24.		

0988 Conference/Travel/Training \$1,200
Conferences, training, and other continuing education expenses for BOH staff. Same as FY24.

0989 Memberships \$270
Membership fees for joining the Massachusetts Association of Health Boards and Massachusetts Health Officers Association. Same as FY24.

1466 Hazardous Waste Day \$15,000
Costs associated with hosting two hazardous waste collection events for residents (fall and spring). \$2,000 increase to account for increased disposal costs and increased attendance at events.

2653 Medical Reserve Corps \$400
Costs related to maintaining a local MRC chapter, which saves the town a great deal of money in helping out at vaccine clinics and during other public health emergencies. This provides minimum funding needed to sustain the chapter. Same as FY24.

ACCOUNT 5410 COUNCIL ON AGING FY2025

The Council on Aging was established in 1966 and is a nine-member Board appointed by the Board of Selectmen. Our office is located at the Hudson Senior Center, 29 Church Street. Duties of the Board who meet monthly include supervision of the building, activities and programs designed for the elderly in Hudson.

The Center offers help and advice on Social Security, Medicare issues, health insurance, prescription drug plans, home care services, respite, SNAP benefits and advocacy. We also provide transportation and have a nutrition program, both congregate and home delivered meals. Our wellness program is popular, offering a myriad of exercise programs along with Tai Chi stress reduction, and yoga. We continue to provide educational seminars and volunteer opportunities which are fundamental to our Center's operation. Our bi-lingual services have proven helpful to our Portuguese population providing health insurance information along with program and volunteer opportunities for those 55 and older.

The DayBreak Social Day Program that operates at the Hudson, Northborough and Marlborough Senior Centers continues to be funded by Springwell Elder Services. This provides much needed respite for caregivers, and socialization, a healthy lunch and activities for their loved ones in a safe environment.

COUNCIL ON AGING – PERSONNEL SERVICES

The Council on Aging has four full time town employees –Director, Administrative Secretary, Bus Driver and Social Service Advocate (Outreach). We also have a Part Time Bi Lingual Social Service Advocate and Part Time Bus Driver, all funded by the Town of Hudson. In addition, we have a Meals on Wheels Site Manager, funded by Springwell Elder Services, additional part time driver hours, 4 fitness instructors and line dancing instructor all funded by the Executive Office of Elder Affairs.

0073 DIRECTOR \$86,343.00

The Director works with the COA Board to oversee the day to day supervision of the building, equipment, full and part time staff, volunteers and programs. Manages the yearly State Formula Grant which funds programs and additional staff that support senior programming. Researches and applies for additional grant opportunities for new and creative activities and services to benefit the population we serve. The Director is SHINE Certified to provide current unbiased health information to Hudson seniors and works with other Elder Service Agencies and Town departments for the interest and wellbeing for those 55 and older in our community.

Library Budget Narrative FY25

Overview

The FY25 budget reflects an overall increase of 7.68% resulting from the Library Department's responsibility to provide level-funded services with minimum staffing levels while continuing to meet the requirements for Massachusetts' state library certification. The Library and its staff provide essential services to Hudson residents, library members, and neighboring communities. Library services include patron transactions, reference assistance, user instruction, programs, community outreach, reader's advisory, assistance and access to technology and digital resources, Wi-Fi access, meeting room reservations, printing, scanning, faxing and photocopying, book clubs, and door-to-door service. Hudson Public Library is recognized for its excellence in customer service and as a highly accessed community resource, virtually and at its physical location on 3 Washington Street. As you prepare the Town of Hudson's FY25 budget, the Library appreciates your continued support and looks forward to providing essential library services and community outreach as the budget allows.

Personnel Budget

The overall personnel budget reflects negotiated and structured step increases, approved and tentative COLAs, longevity compensation, and a request to hire seasonal Library Pages. All staffing positions are essential and contribute toward maintaining safer staffing levels and adequate library operations. In continuing to fulfill the evolving needs of our Hudson community, additional staffing is integral to providing public service transactions, managing daily tasks and responsibilities, participating in outreach initiatives successfully, and offering educational, recreational, and innovative services and programs for our community. The Library needs to hire seasonal Library Pages to assist with managing the Library's collection of materials during the summer months. Every year, the Hudson Public Library offers a robust summer experience designed to support literacy initiatives, meet summer reading requirements, and provide access to materials for everyone ranging from infants to adults. During these 12 weeks from June through August 2023, nearly 45K items circulated. To keep up with the demand of managing the Library's collection during this time, the Library seeks consideration and support to hire 2 – 4 summer Library Pages for 40 hours weekly at minimum wage. In FY25, the Library's goal is to become fully staffed and hire seasonal staff to assist with the increased demand on Library operations.

Expense Budget

The Library Department's FY25 budget request is a good faith attempt to remain fiscally mindful of the Town of Hudson's budget constraints while maintaining level funding despite the current state of our economy as impacted by inflation. The most significant differences in this year's

budget request are the increased costs for supplies and utilities. The overall cost of supplies and materials continues to grow, resulting from inflation. With the new rate changes for water and sewer and fluctuations in heating oil, the Library anticipates higher costs for utilities. Though fully aware of the challenges, our interests are best served when the Town supports the necessary funding levels to maintain compliance as required by the State. The Library Department is grateful for your consideration and support as it strives to meet the needs and serve the Hudson community.

MEMO -

To: Select Board
Thomas Gregory, Executive Assistant

From: Park Commission
Steven L. Santos, Director of Recreation

Date: **January 10, 2024**

Re: FY25 Recreation Budget Submission - **UPDATED**

The FY25 Recreation Budget as submitted to the Executive Assistant was reviewed and approved by the Park Commission on November 15, 2023. This updated memo provides further details on the proposed change to the Recreation Assistant position, as reflected in the FY25 budget request. Additionally, modifications to FY25 Capital Plan Funding Requests since the original budget submission are reflected below.

FY25 Budget Highlights:

-Director and Assistant Director salaries assume a 2% COLA.

-The FY25 budget was created with the assumption that the existing and currently vacant full-time "Recreation Assistant" position will be reclassified to the M5 grade, subject to the Board's approval, and renamed "Program Coordinator" with an effective date of February 2024.

Please note: The current FY24 Budget reflects this position funded at the M4, Step 1 rate. This proposed change does NOT add a new position. Further, reclassifying the position to the M5, Step 1 rate will position the Town to successfully secure a candidate to meet the current and future departmental needs.

...As the department moves from the second half of FY24 into FY25, it intends to execute various small- and large-scale capital improvement projects. Many of which are the direct outcome of the work performed and road map created as a result of the Community Visioning Workshops, the Community Recreation Survey and the Town-Wide Recreation Master Plan. It is expected that the demand to advance facility improvement projects will remain high for many years to come and that those projects will be managed primarily by the Director of Recreation. In addition to the demand to make facility improvements across Town owned recreation areas, there is equal demand for the department to expand its program and event offerings. As such, it is the opinion of the Park Commission that the position should be upgraded and funded, to attract experienced and qualified individuals, who have proven track record working in the Recreation industry or similar. When originally created the intent was that the position would support an entry-level staff member, with minimal experience. The Park

Commission feels strongly that shifting the position away from an entry-level position, will significantly benefit the community in the long run and will allow the current staff to perform their roles more effectively.

-Salaries for seasonal, part-time staff are based on MA Minimum Wage, which is currently \$15.00/hr. Seasonal Salary projections are based on an updated Seasonal Salary Pay Scale that provides all returning part-time staff with a base pay rate increase of \$0.25/hr.; with the exception of lifeguards and upper level program supervisors whose base pay rate increase would be \$0.50/hr.

-Material and supply costs continue to increase, as well as the cost of all services. While there were some small decreases identified within specific operating expense line items, increases were requested where the greatest need is anticipated in FY25.

-Three (3) Capital Plan requests have been submitted to FY25:

1. Rimkus Clubhouse Roof Replacement (\$35,000)
2. Riverside Courts Surface Repairs & Resurfacing (\$80,000)
3. Chamberlain Rink Facility Improvements (\$150,000)

Please note: Since the FY25 Budget was originally submitted we have replaced the request for capital funding for the Morgan Bowl Bleachers & Facility Improvements Design Services with items #2 and #3 listed above, and instead requested funding to support the Morgan Bowl Bleachers & Facility Improvements Design Services project via the Community Preservation Committee.

Re: FY2025 TOWN IT BUDGET FROM PEG ACCESS AND CABLE RELATED FUND

Pursuant to M.G.L. Chapter 44, Sec. 53F ¾, I would like to request the following expenditure budget for FY2025 from the PEG Access and Cable Related Fund:

NETWORK SALARIES:

IT Manager/Systems & INET Administrator

Effective FY2024, all Town-side IT staff (2 full-time and GIS part-time) will be paid from the Finance budget.

TOTAL SALARIES: \$ 0.00

NETWORK OPERATIONAL EXPENSES:

Maintenance, Licenses, Software, Hardware and Supplies

Microsoft 365 Email Exchange, Microsoft Licenses, Barracuda Archive, VPN Connection, Firewall, Town Hall network wiring and supplies, tools and equipment, and staff training to support the maintenance and enhancement of the Town's network.

TOTAL OPERATIONAL EXPENSES: \$ 131,000.00

TOTAL REQUESTED: \$ 131,000.00

The overall request for FY2025 is a level funded budget compared to the FY2024 budget of \$131,000.00. This has been done to ensure expenses stay within fund annual revenues when added to the School Hud-TV budget. The trend has been lowering revenues the past several years.

Thank you in advance for your consideration of this request.

HUD-TV
Hudson Access Television Studio
Budget Request for 2024-2025

A. Background and Review

The HUD-TV Cable Access studio is a town and school department entity that provides quality broadcast programming to the Town of Hudson. We strive to provide content to the public that is relevant, informative and entertaining. Our multiplatform approach to sharing media with the community includes three local cable channels, live streaming broadcasts, online video on demand, and a growing social media presence. All media channels provide meaningful programming to our viewers.

Located inside the Hudson High School building, our studio provides extensive services to the school community. The educational component of the studio focuses on incorporating student involvement into content creation and production. High school students across many levels and abilities have the opportunity to learn film and broadcast skills and concepts. Students can enroll in Media, Media II, Broadcast & Production, and Advanced Studies in Broadcast and Production. Students are now able to repeat Advanced Studies in Broadcast and Production in order to expand independent research projects in this area. We encourage student creativity and assist them in creating their own media projects both in class and in our after school clubs. Students also assist staff in large video and broadcast productions. Outside of the media classroom environment, the HUD-TV staff serves as a resource to other staff and community members. We assist with technology setups inside the building for events both during school and after hours as well as work with town residents in video or media creation.

HUD-TV's Public and Government access components focus on getting out in the community to capture and generate programming. Town meetings and forums are featured on the Public channel as well as many different citizen initiated public access shows. These shows allow public access members a platform to share their content with others in the community. Public access volunteers have contributed to our access station by creating exercise and cooking shows, documentaries, studio talk shows, and providing coverage of community events not covered by the HUD-TV staff. The Government channel provides greater focus on local government initiatives. The goal of this channel is to inform citizens on different aspects of Town activities. Government access programming is drawn from Town departments such as the Senior Center, the Hudson Public Library, and federal and state video productions that are sent to our studio for broadcast.

We are tasked with covering many different town and school events for playback through our media channels. We hope to engage with the Hudson Community by offering quality coverage of important events to our viewers. We broadcast live meetings such as the Board of Selectmen and School Committee meetings as well as stream on our Livestreaming service. We also live

stream many high school sporting events, public forums, and studio TV shows to our website. Live streaming allows instant access for viewers to immediately playback the meetings and events. This service ensures that information for the town and school departments is accessible instantly for anyone wishing to tune in. Annually the HUD-TV studio covers over 120 town and school events ranging from meetings, forums, sporting events, and drama productions. We believe that our event coverage and the creation of original programming provides our viewers with a wide range of engaging content on television and online.

As we continue to expand our cable access landscape, HUD-TV has made convenience and efficiency a priority. We want our viewers to have easy access to the content that they are consuming and instant availability to event coverage. Live streaming to the community is a modern convenience that is becoming increasingly more of a Broadcast norm. With technology always improving and our understanding of broadcast techniques, we are able to bring valuable high quality content to our viewers. We look forward to continuous quality and reliability in our service to the community.

Our goals for the 2024-2025 year are:

- Educate students and community members in the art of media and broadcast production by providing them with the right equipment and resources to succeed in their media productions.
- Increase the quality and variety of TV studio productions through staff development and engagement with government, public, and educational media makers in order to generate informative and entertaining programming.
- Provide and upgrade the necessary equipment, services, software, and hardware needed for staff to film and broadcast the many events that we will cover over the coming year and be responsive to the varying daily needs of the town and school departments as well as the community.
- Revise the Hud TV positions to align salaries more closely to industry standards based on similar towns and their subscriber numbers.
- Provide increased funds to support the goals of Hud TV.

There are several factors that are contributing to the level funding request:

- Step in scale salary increased for the Media teacher Master's degree, Step 11 per HPS Teacher contract. We will be decreasing the amount in the Hud TV budget over the next three years so that only 20% of the salary is part of the Hud TV budget. In FY24, the school department moved 20\$ of the salary into their personnel line item. An additional 20% will be added for the FY25 budget.
- A 2.50% increase in the salary for the Cable Access Specialist to be more aligned with the industry standard based on similar towns and their subscriber numbers.
- Increase the part-time Cable Access Producer percentage time from 66% to 1.0.
- A 2.50% increase in salary for the two Cable Access Producer positions to be more aligned with the industry standard based on similar towns and their subscriber numbers.
- Slight adjustments in the requests for hardware, supplies, software, and contracted

services.

B. Budget proposal for the 2024-2025 fiscal year

Staff Positions

The staff section of the budget seeks to fund the same positions as 2023-2024. The Cable Access Specialist will work in the TV studio full time to coordinate staff, assist in procurement and operation, and integrate new equipment. There are two Cable Access Producer positions--one full-time and one part-time. We are proposing moving the part-time position to a full-time position. Both positions are 12 month positions. This will allow us to increase the services that we provide to the Town and School departments. The Media Teacher & Integration Specialist compensation will increase based on union salary scales. However, a total of 40% of this salary will be moved to the Hudson Public Schools' budget. The two after school club advisors and the District/Town Promotional Videographer positions have been incorporated into the Cable Access Specialist and full-time Cable Access Producer positions. Special event coverage for events have been incorporated into the positions of Cable Access Specialist and the two Cable Access Producers.

Media Teacher & Media Integration Specialist

10 month position 1.0 Full-Time Equivalency (FTE) Teachers' Union Contract position - Responsibilities: Teaches .6 FTE teaching load in Media, TV News, and Advanced TV News courses. .4 FTE Supports and helps to integrate media technology use in the school. Also, develops programming for cable access channels, and supports the access team.

Estimated Salary - \$86,548 (Step 11 Masters, per terms of the HPS/HEA Teachers' Contract currently under negotiation.) 40% (\$34,619) will be moved to the HPS School Department General Budget. \$51,929 will remain in the Hud TV budget for FY25. An additional 40% will be moved to the HPS School Department General Budget in FY26 and FY27.

Cable Access Specialist (Full-time)

12-month position - 1.0 FTE Non-Union staff position - Responsibilities: Assists with the coordination of the TV Studio budget and equipment as well as filming, editing, and programming for the Town, School department and community events for cable access channels. Coordinates AV support and the cable access team and schedules. Provides special event coverage; two videos per year--one for the School Department and one for the Town; oversees one student activity club.

Salary - \$71,750 (2.5% increase to align more closely with industry standards)

Cable Access Producer (Full-time)

12 month position - 1.0 FTE - Non-Union staff position - Responsibilities: Coordinates filming and editing of cable access programming including studio and non-studio shows, develops programming for access channels, and supports access team. Provides special events coverage and oversees one student activity club.

Salary - \$53,428 (2.5% increase to align more closely with industry standards)

Cable Access Producer (Full-time)

12 month part-time position - 1.0 FTE – Non-Union staff position - Responsibilities: Filming and editing of events for cable access channels during the afternoons, nights, and weekends. Provides special event coverage.

Salary - \$51,371 (2.5% increase to align more closely with industry standards)

Strategic Financial Plan

Budget Outlook

The Hudson Public Schools provides a diverse range of programs and services for our students and we are proud of our educators and support staff who care for our students and their families. That said, the District continues to face a hard reality: student enrollment continues to decline; the achievement gap among student subgroups persists; and the cost associated with high needs population continues to rise. The path ahead has grown more challenging with each passing year even while we continue with prudent allocation of resources. The District remains committed to an approach to spending that is both efficient and effective.

The District will continue to analyze all expenses generated by personnel, programs, and services and allocate resources aligned with the priorities of the District Improvement Plan. The District will also accurately track and analyze student enrollment, resource allocations, costs of Special Education services, and forecast cost increases for the next three to five years. This process will assist the District to better project future revenues and control expenditures while meeting the needs of our students.

Statement of the Problem

For several years, the District has faced funding challenges associated with the rising costs of programs and services. The increase in the annual expenditures necessary to provide level services to Hudson has consistently superseded the total revenue from Town Appropriation, Circuit Breaker, and School Choice receipts, creating annual budget gaps.

One main reason for the persistent gap in revenue is the District's reliance on the School Choice funds to balance the budget. The District has been relying on 5-6% of revenue (over \$2,000,000) coming from the School Choice account each year when new School Choice revenue is only in the range of 1-2% of total revenue (about \$1,000,000) each year. We are currently projecting the need to use \$3.7 million of School Choice funds to balance the FY25 budget. This extraordinary reliance on School Choice funds is due to a dramatic increase in personnel and transportation budgets.

Since the pandemic closed schools in March 2020, several new factors have combined to paint a new picture of our long-term budget stability. These factors are summarized below.

Pandemic-Related Town Funding Reduction

The pandemic has had an impact on state and local revenue for FY21 and FY22. Based on assumed local town revenue shortfalls due to the pandemic, all town department budgets were reduced by 2% in June 2020, a reduction of \$800,000 for the School Department. Besides FY21, Town appropriation's increases have been consistently in the 2.5-2.8% range. The School Department budget needs to recoup the \$800,000 cut from FY21 as well as have the annual town appropriation increase be consistently above 3%. As a result of the 2% cuts in FY21, an increased need for staffing due to the effects of the pandemic, and additional costs expected to impact the budget in FY25, the school department's budget is projected to have a significant budget gap in FY26. Although our School

Choice balance has increased, this is a one-time surplus that will only mask the budget revenue issue for a short period of time. The revenue/expense gap can be somewhat delayed by an increase in town appropriation.

Federal Pandemic-Related Funding

In FY23 and FY24, the School Department benefitted from approximately \$1.7 million from the Elementary and Secondary School Emergency Relief Fund (ESSER). ESSER funds will not be available beyond FY24. These funds have been used for pandemic-related expenses and salaried positions to help accelerate learning. In addition to funding additional expenses and salaries, ESSER was able to offset or supplant expenses that normally came from our local budget. This provided us some relief from our annual reliance on school choice. In FY25, when the ESSER is no longer available, we will need to start to fund any additional staffing and expenses from our local budget. ESSER currently funds 6 positions (\$508,000) and well as 2 buses (\$150,000). Also, in 2020, ESSER was used to buy student iPads and Chromebooks which will need to be replaced in FY25 (\$150,000). See the ESSER budget sheet for more details.

Pandemic-Related Budget Savings

In FY20 and FY21, due to significant pandemic-related budget savings in personnel and expense costs, the amount budgeted to be spent from the School Choice account was not needed. Personnel savings were realized post-pandemic as it was difficult to fill vacancies. Unfilled positions, including a lack of substitute teachers, created significant savings. On the expense side, fewer materials were purchased and hybrid schooling created savings in transportation costs as well as out-of-district tuition costs. Some of these savings were offset by the higher costs of private staffing that was needed to fill some vacant positions. Overall, the savings in FY20 and FY21 were significant and led to raising the School Choice account balance to over \$4 million. Beginning In FY24, pandemic-related savings ended. Also, in FY20, FY21, and FY22, due to savings, we were able to prepay approximately \$700,000 of out-of-district tuition costs which helped perpetuate budget savings each year. In FY23, the District did not prepay any FY24 tuition so we will no longer have those budget savings.

High Needs Student Enrollment Increases

Over the last few years, Hudson Public Schools has seen a large increase in the high needs student population. In FY22/FY23 we added English Learner Teachers, Special Education Teachers, Adjustment Counselors, and other support staff to address students' needs. We also have a new Family Liaison budgeted through ESSER III grant to help with all of the significant amount of work to enroll, support, and track the progress of English Learners.

Transportation Cost Increases

In early 2020, the District locked in a five year contract with First Student for in-district transportation. First Student has incurred significant cost increases in the last five years, but the fixed rates have meant budget stability for the District. The District will go out to bid in December 2023 for a new transportation contract and a significant price increase is expected that reflects the current cost of

delivering transportation services. We are estimating the need for a 30% budget increase for in-district transportation in FY25 which equates to \$500,000. For out-of-district transportation, Hudson contracts through Assabet Valley Collaborative which is also going out to bid in December 2023. Currently, we are estimating a \$100,000 increase for this account. Additionally, two buses are currently funded by ESSER at a total cost of approximately \$150,000. If those buses are still needed in FY25, that will add to the overall transportation budget increase. All together, the District could be facing a \$750,000 increase in its transportation budget. We are looking into ways to mitigate these increases.

Out-of-District Tuition Cost Increases

The District has been committed to add staffing and programming over the past several years in an effort to support students and keep them in-district. At the same time, we have seen an increase in students with needs that extend beyond the capacity of the district. These students require a tuition-based out-of-district placement at either a collaborative, private special education school, or even a residential special education school. Residential placements can range from \$100,000 to \$500,000 per year, per student. In FY25, we project a significant increase in residential placements and an overall tuition budget increase for out-of-district placements of \$700,000.

Chapter 70 State Aid

Chapter 70 is the Massachusetts General Law that governs state funding for schools. Hudson has historically received minimum Chapter 70 State Aid increases. The Student Opportunity Act passed in 2019 and pledged \$1.5 billion of increased funding to education spread out over seven years. FY24 was the third year of funding the Student Opportunity Act which increases the rates in the foundation budget formula. These increases, along with 4.5% inflation and other factors, resulted in Hudson receiving a large foundation aid increase of \$756,211 in FY24. State Aid has a “hold harmless” provision, which does not allow decreases so Hudson can depend on the increased amount of funding going forward. As the foundation budget rates increase in FY25, FY26, and FY27, we hope that will result in additional foundation aid increases. This is the best case scenario to help with the pending budget gaps.

Long-term Financial Projections

The District has developed a multi-year projection document to help the District and the Town to have an outlook on our future budget needs. The attached School Budget Projection document provides more detailed information.

FY25 Budget Additions from ESSER Covid Grant

	\$ 300,000.00

ESSER III Budget - 11/21/23

ESSER III funding is the last remaining covid-related funding from the federal government. Hudson has been allocated \$2,265,039 of ESSER III funds to be used from October 4, 2021 through September 30, 2024. The below information reflects our current expectation of how HPS will use these funds, updated as of November 2023. With input from district staff and community stakeholders, our budget seeks to allocate funds to address all of the needs of our district related to student supports and pandemic response. The ESSER III Budget will be amended as needed with funds fully spent by September 2024. The FY25 G.F. column is to show what expenses that we expected will need to be picked up by the school general fund(G.F.) when ESSER funding has expired.

Hudson Public Schools Finance - Revenue and Expense Overview

Chapter 70 State Aid for K-12 Districts

Chapter 70 State Aid is determined through the Foundation Budget formula which has many variables including enrollment, demographics (EL and low-income increments), inflation, and town's ability to pay. There is a rule that a district's aid can never go down and will always increase by at least \$30 per pupil. The legislature has increased the minimum aid to \$60 per pupil in recent years. Any increase in Chapter 70 State Aid can be counted on in future years to only increase. The Student Opportunity Act set out a goal to increase the rates for each category over six years which can potentially yield Hudson an increase each year through FY27. State Aid is paid to the Town and helps offset \$13 million of the District's appropriation.

	Foundation Enrollment	Foundation Budget	Required Contribution	c70 formula	c70 aid	c70 increase	Per Pupil
FY20	2658	29,439,397	17,734,729	11,704,668	12,020,446	79,740	30

Town Appropriation

The town appropriation typically ranges from 2.5-2.8% over the previous year. In FY21, the expected 2.78% increase was reduced to .78% due to an assumed reduction of local revenue due to the pandemic. This was an \$800,000 reduction to the school budget and is part of the reason for the district's anticipated budget shortfall. In FY23, due to a reduction in assessment from Assabet Regional School, the Select Board voted to give a one-time additional appropriation on \$192,909, which is not reflected in the table. In FY24, the expected 2.75% increase was increased by \$600,000 to 4.19% due to a significant increase in state aid. A 2.75% increase is assumed going forward unless state aid increases or other revenue increases.

	Town Appropriation	% Increase
FY20 Actual	39,043,303	
FY21 Actual	39,349,090	0.78%
FY22 Actual	40,450,000	2.80%
FY23 Actual	41,562,375	2.75%
FY24 Actual	43,305,340	4.19%
FY25 Estimated	44,496,237	2.75%

Circuit Breaker

Circuit Breaker is paid directly to the School District and reimburses districts for up to 75% of the special education costs that exceed a per pupil threshold, which is \$51,721 in FY24. Circuit Breaker reimburses special education costs per student including tuition and transportation costs. Reimbursement of transportation was added as part of the Student Opportunity Act and it has been phased in starting in FY22. The reimbursement is paid out in the following fiscal year. Hudson Public Schools uses Circuit Breaker revenue as a budget offset in the year after it is received. In FY24, special education private schools increased their tuition rates by 14%. We will submit a claim for Circuit breaker reimbursement for these FY24 expenses in June 2024 and receive the resulting revenue in FY25. That revenue will offset the FY26 budget.

FY23	FY24	FY25	1,115,743	316,044	1,431,788

School Choice

School Choice is paid directly to the School District and is funded \$5,000 per pupil plus reimbursement for any Special Education costs. The District manages School Choice enrollment per grade with the intent to not need to add a teacher to educate these students.

District Budget Information

The District has several funding sources including town appropriation, direct funding from the State, grants(Federal,State, private), and other special revenue accounts. The town appropriation typically ranges from 2.5-2.8% over the previous year. Historically the District has relied on the one-time revenue in the School Choice account to balance the budget. During FY20-FY22, the District realized savings related to the pandemic, in combination with significant pandemic grant funding, that reduced the usage of School Choice funds. Increased reliance on school choice balance is expected in FY24 and beyond (until it is exhausted) because of increased costs in personnel and transportation.

Other District Budget Information

The Budget including Town Appropriation, Circuit Breaker, and School Choice is allocated into three categories: Personnel, General Expenses, and Transportation. Within Personnel, the District budgets a \$750,000 vacancy factor assuming savings from unfilled positions, unpaid absences, and other variances. Employees typically receive a 2% raise as well as any union salary schedule step and lane increases. The salary increases are a significant portion of the total school budget increase each year. The District adds positions based on meeting compliance, maintaining class size, and to meet programmatic needs. General Expenses budget includes full use of last year's Circuit Breaker reimbursement as a funding source. The biggest increases in this category are usually Special Education tuitions, instructional books/materials, technology, and utilities. Transportation budget includes costs of big yellow buses, in-district specialized transportatoin, out-of-district specialized transportation, athletic transportation, and field trips. The biggest increases in this category are if contractual rates increase or if we need to add a bus or van route. The main factor in FY25 is that we need to bid for a new 5 year contract.

Grants/ESSER

The main categories of grants are entitlement grants that we get each year based on student demographics, competitive grants that we can apply for, and pandemic-related grants. We have seen an increase in grant funding which can help offset new and existing programming. The ESSER pandemic grants will expire at the end of FY24. In FY25, when those grant funds expire, we expect to have approximately \$508,000 of salaries and \$300,000 of expenses that may need to be incorporated in our general budget. See ESSER Budget page for more details.

Hudson Public Schools

Strategic Objectives

High Quality Instructional Practices

Build capacity at all levels to ensure that every educator and administrator are utilizing high-leverage practices to support outstanding teaching and learning experiences for all students, every day

Educating the Whole Child

Provide rigorous, inclusive learning experiences that integrate academics with social emotional learning so that all students are successful in all areas.

Innovative Educational Practices

Ensure that all students are exposed to an engaged in innovative and challenging academic courses and programs

Climate and Culture

Develop a culture and community that promotes equity, eliminates opportunity gaps, and empowers students and adults to build strong relationships, psychological safety, and mutual accountability.

Celebrating Hudson Public Schools

- **NEW MATH PROGRAM** at all grade levels that is strongly aligned with state and national curriculum frameworks
- **HIGH SCHOOL PATHWAYS** that help prepare graduates for post-secondary training, education, and careers. These pathways are in the fields of engineering, biomedical, early childhood care, and medical interpretation.
- The expansion of a Portuguese-English **DUAL LANGUAGE PROGRAM** to grade 2 (currently K-2) with plans to expand to grade 3 in the next school year.

Celebrating Hudson Public Schools

- The development of **IN-DISTRICT SPECIAL EDUCATION PROGRAMS** that support students with disabilities within our school buildings
- An increase in the number of students graduating from Hudson High School with the **MASSACHUSETTS SEAL of BILITERACY (1/3 of the Class of 2023)**
- The expansion of our **ONE-TO-ONE TECHNOLOGY** program
- Improved access to **BAND and CHORAL PROGRAMMING** at the elementary and middle school levels

Budget Conditions: Enrollment and Staffing

- Student enrollment decline 20.6% (2013-present)
- Enrollment stabilizing since 2020-21
- 15-point increase in percentage of students categorized as High Needs (2013-present)
- Increasing costs of programs and services in conjunction with this enrollment trend

Budget Conditions: Revenue vs. Expenses

- Costs for level services are higher than total revenue (Town Appropriation, Chapter 70, Circuit Breaker, School Choice)
- Must use over \$4M in one-time funds to close FY25 budget gap
 - Must spend all available School Choice funds
 - Must spend all but \$100K in Circuit Breaker funds
- Schools will have no reserves in FY26

Budget Conditions: Revenue vs. Expenses

- Impact of using all reserves in FY25
 - Places School District in a fiscally vulnerable position
 - No ability to address unexpected expenses (i.e. out-of-district tuition, emergency capital repairs) without reliance on Town reserves
 - Necessitates larger town appropriation in FY26, likely through Proposition 2-1/2 override

Budget Conditions: Revenue vs. Expenses

- Chapter 70 State Aid
 - FY24 Increase = \$756K
 - FY25 increase = \$72K
 - Minimum Aid = \$30 per student
 - Inflation rate applied to Chapter 70
 - FY24 = 4.5%
 - FY25 = 1%

Budget Conditions: Transportation

- New contract (3 year with option for years 4 and 5)
- Single bidder
- 51% increase in FY25
- 7% increases in subsequent years
- Bus storage costs (\$290K in year 1)

Transportation

In-District Transportation - Cost Per Bus

Transportation Costs FY24 to FY27

Budget Conditions: Out-of-District Tuition

- Projected increase for FY25 of \$700,000
- Types of Out-of-District Special Education Placements
 - Collaboratives
 - Private
 - Residential
- Tuitions ranging from \$50K to \$500K per student / per year

Budget Conditions: End of ESSER Funding

(Elementary and Secondary School Emergency Relief)

- ESSER - Current
 - \$508K in personnel (6 positions)
 - \$150K in technology infrastructure
 - \$150K in transportation

Total ESSER: \$808,000

FY 2025 BUDGET PLAN

Superintendent-Director's Welcome

February 2024

Dear Assabet Valley School Committee and Assabet Valley Stakeholders,

I am pleased to present to you an Executive Summary of the FY'25 Superintendent-Director's Recommended Budget. This document is a "high level" overview, but one that also provides detailed explanations of our budget drivers for the FY'25 budget and the capital assessment. It is written with the goal that any Assabet Valley stakeholder can read it and fully understand the school budget. I hope you find it clear, concise, and easy to read, as one of our primary goals is to provide a greater level of transparency during the budget development process.

During the FY'25 budget development process, we have been mindful to be fiscally responsible and have developed an FY'25 Budget Plan that meets the minimum Net School Spending Requirements (NSS) as required. While this budget contains an increase of 8.5%, it reflects the need to return to pre-COVID-19 staffing and educational service levels and brings two grant-funded positions back into the budget. This budget also realizes the increase of forty-eight (48) in-district students who reside in one of the seven-member communities that Assabet serves; therefore, because of this increase, it shifts assessments to the communities with the additional students, while also increasing Chapter 70 state aid to Assabet. We believe this trend will continue for the next couple of fiscal years before leveling off.

It should be understood that we face some additional challenges in providing the same level of quality career and technical education including addressing the increase in student enrollment for the eleventh straight year; and accounting for the increasing level of services of students requiring Special Education services, Multilingual Learners (MLL) and Social & Emotional Learning (SEL), as well as, inflationary costs but I can assure you that none will be overlooked. This Administration is confident that we will be able to utilize the current resources that we have in order to successfully prepare and provide for these challenges.

Below is a brief snapshot of the recommended FY'25 Budget:

- An overall 8.5% increase over FY'24, which reflects cost of living adjustments and required obligations equates to an increase of \$2,137,140.
- This budget fulfills a requirement to reassign two grant-funded positions into the general budget.
- This will also be the fifth and final year of a School Bus Transportation contract with a budgeted increase of 2.8%.
- At this point in time, healthcare cost increases are unknown with Harvard Pilgrim Health Care; however, what we do know is that healthcare industry rates are coming in at 10% or higher. The current responsibility to pay for health care costs is 75% for the District and 25% paid by employees, except for new employees; as of FY20, the cost would be 70% for the District and 30% paid by employees.
- In this FY '25 Budget year, we are also looking to establish a Stabilization Fund and allocate \$250,000 in the operational budget for Capital Improvement expenditures, as we continue to decrease our reliability on Out-of- District Tuition.

I hope this budget document helps stakeholders understand what it takes to operate the school system. Although we certainly face some budgetary challenges this year, our students continue to receive a first-class education. On behalf of our faculty and staff, I thank Assabet Valley stakeholders for their unwavering support of their public career and technical school.

Respectfully submitted,

Ernest F. Houle

FY25 Budget Drivers

- To close curricular gaps between increasing numbers of MLL and Students with Disabilities in order to maximize student impact.
- To meet the demands of students with increased needs in SEL, Mental Health and Special Education services.
- To maintain appropriate class sizes and co-taught ratios to create the best possible teaching and learning environment for our students.
- With a continued increase in student interest and enrollment, the District's goal is to maintain diversity in the Program of Studies offered.
- Due to inflationary costs, maintain appropriate funding for CTE programs which require the purchase of consumables, equipment and curriculum within their Chapter 74 CTE Programs.
- Meets all contractual obligations and moves us closer to staffing and service levels based on student needs.
- Includes Capital Improvement funds as we rely less on Out of District Tuition.

Staffing Adjustments

- Additions:
 - Paraprofessional (Special Education)
 - Athletic Trainer
 - Elective Instructor

Statutory Method of Assessment

- The amounts so apportioned for each municipality shall be certified by the regional school district treasurer to the treasurers of the municipalities within thirty days from the date on which the annual budget is adopted by the regional district school committee
- Two methodologies are available to regional school districts for calculating assessments to member municipalities. These are defined in CMR 41.01
 - Statutory Assessment Methodology
 - Alternative (Agreement) Assessment Methodology
- Statutory Assessment Method: The calculation of members' assessments pursuant to the provisions of M.G.L. c. 70 S6. Each such assessment shall be the sum of the following amounts (i) the member's required local contribution to the regional school district as determined by the Commissioner; (ii) the member's share of that portion of the regional school district's net school spending, as defined by M.G.L. c. 70 s. 2, that exceeds the total required local contribution for all members, this share to be allocated pursuant to the assessment provisions of the regional agreement; and (iii) the member's share of costs for transportation, capital project debt service, other capital costs, and all other expenditures not included in the regional school district's net school spending, this share to be allocated pursuant to the assessment provisions of the regional agreement.

What is the MLC?

- Establishing local ability to pay
- The Foundation Budget is a shared municipal responsibility
- Each Community has a different target local share, or ability to pay, based on its property values and residents' incomes
- Statewide based on 50% Property Wealth and 50% Local Income Wealth
- Known as the Aggregate Wealth Model
- The Maximum Local Contribution is set at 82.5% of foundation budget, which means that the formula would fund a minimum of 17.5% of foundation through state aid, even for the wealthiest communities

Creation of a Stabilization Fund for Assabet Valley RVSD in FY25

Background:

- In accordance with [Section 16G 1/2 of Chapter 71 of the Massachusetts General Laws](#)
- The sole purpose of this additional warrant article is to help with the creation and support of a Capital Improvement Fund for the school district which would be governed by the AVRVD School Committee. For more information about the guided process, please see the information provided by [MA DESE's Advisory on the Establishment of a Stabilization Fund for Regional School Districts](#).
- Historically, we have been able to handle Capital Improvements through the use of Out-of-District Tuition and through grant opportunities, however, neither is a sustainable option.

Submitted Language:

Article XX ESTABLISHMENT OF STABILIZATION FUND BY ASSABET VALLEY REGIONAL VOCATIONAL TECHNICAL

SPONSORED BY: Select Board

To see if the Town will vote to approve the Assabet Valley Regional Vocational Technical School Committee's vote on **January 9, 2024**, to establish a Stabilization Fund for the Assabet Valley Regional Vocational Technical School District, pursuant to Section 16G ½ of Chapter 71 of the Massachusetts General Laws, said Stabilization Fund to be invested and to retain its own interest earnings as provided by law and further set up an operational line item to be created to transfer available monies into said Stabilization Fund; or take any other action relative thereto.
Approval requires 2/3 vote of our member communities.
