May 7, 2020

Dear Hudson Veterans & Residents,

Due to the Coronavirus pandemic and the social distancing restrictions we are following in regards to Commonwealth of Massachusetts Governor Charlie Baker's orders, the Town of Hudson and the Hudson Veterans Council will be unable to honor our fallen service members this year with a traditional Memorial Day Parade and Ceremony.

We ask everyone to spend Memorial Day safely at home this year keeping in mind the many veterans we have lost in their endeavor to keep our country free and its citizens safe. This is still the time to show respect by honoring these heroes who have passed however, there will be NO public Veteran events or gatherings for this Memorial Day, May 25, 2020. Please display your American flag from your home in honor of the fallen as well as for your own loved ones who have passed..

We value your support of Memorial Day and hope to maintain this tradition in future years with parades, ceremonies, and honors for our service members who have passed.

Stay Safe and Be Well!

Sincerely,

Brian Stearns

Brian Stearns, Director
Hudson Veteran Services
