

Plastic Bag Ban Goes into Effect Thursday September 10th.

As of September 10th, 2020 Hudson stores will no longer be allowed to give out plastic bags at point of sale. Paper bags will be available. Customers are encouraged to bring their own reusable bags, or to purchase them at most grocery stores. Plastic bags will still be used for produce, meat, dry cleaning, newspapers and a few other products.

Please plan your trips to the store by keeping reusable bags in the car. Thanks for helping Hudson to become a part of the solution to the ever growing plastic problem affecting our water, health, wildlife and food supply.
