# RECYCLING VOLUNTEERS NEEDED

---

---

## The Recycling Team needs volunteers to help at the Transfer Station!

---

### WHEN OUR VOLUNTEERS SERVE:

- Saturdays once every couple months
- Shifts are 2 ½-hours in length
- We will schedule around your availability
- Our swap shed team is currently working on Wednesdays, but we will be reopening the swap shed on Saturdays in the near future

### WHAT OUR VOLUNTEERS DO:

- Answer questions about what items are accepted for recycling in Hudson
- Monitor recycling bins
- Direct residents to appropriate recycling containers
- Keep swap shed drop-offs and pick-ups organized
- Find new homes for reusable items in the swap shed

### WHY WE DO WHAT WE DO:

Our work helps to reduce the amount of trash that ends up in landfills or is incinerated, and our recycling efforts make Hudson eligible for State grant funds so that the Town can expand its recycling programs in the future.
