Hudson Board of Selectmen, Military Veterans, & Residents,

Due to the Coronavirus pandemic surge and the social distancing restrictions we are following in regards to Commonwealth of Massachusetts Governor Charlie Baker's orders, the Town of Hudson and the Hudson Veterans Council will be unable to honor our Veterans this year with a traditional Veterans Day Parade and Ceremony.

We ask everyone to take a moment out of their day on November 11<sup>th</sup> to think of the sacrifices that our military and our veterans have endured to allow the citizens of the United States to enjoy the freedoms under the US Constitution. This is still the time to show respect by honoring these men and women however, there will be NO public Veteran events or gatherings for this Veterans Day. Please display your American flag from your home or business in honor of Hudson's veteran community.

We value your support each Veterans Day and hope to maintain this tradition in future years with parades, ceremonies, and honors for our beloved

Stay Safe and Be Well!

Sincerely,

*Brian Stearns*

Brian Stearns, Director  
Hudson Veteran Services
