RE: Water/Sewer Bills

Due to the Covid-19 crisis, we will not be manually reading water meters for the May billing cycle. Meters with radio-read capability will be read and accurately billed. Those with manual-read water meters will be estimated for this billing cycle. The August billing cycle will correct any over or under-estimation of billing due to the last two bill cycles being estimated.

If you have any questions, please call the office at 978-562-9333.
