

## Eversource 115 kV Transmission Project Update

Greetings!

We wanted to provide the community with another update related to upcoming construction activities, on the Eversource 115 kV Transmission Line Project, in **Hudson** for the next several weeks.

In Hudson starting on **Monday, November 14**, BOND Civil & Utility Construction and its subcontractors will begin clearing vegetation, near White Pond Road in Hudson, moving west down the inactive Massachusetts Bay Transportation Authority (MBTA) corridor toward Wilkins Street. These activities in Hudson are expected to last through the end of the month.

Vegetation clearing in Sudbury is NOT expected to start until the end of November or early December of this year. Eversource and our Field Outreach Team will be in communication with further information.

### Work Hours

Approved work hours for the Project are 7 a.m. to 6 p.m. but crews will be working from **7 a.m. to 3:30 p.m.** Due to unforeseen conditions like weather, occasional activities may extend beyond these approved hours based on final feedback from local officials.

---

### Stay Informed

Eversource is committed to being a good neighbor and doing any work with respect for you and your property. If you have questions or concerns, please contact us using one of the methods below.

- Dial **1-833-836-0302**
- Email [ProjectInfoMa@eversource.com](mailto:ProjectInfoMa@eversource.com)
- Visit the [website](#) for this project
- View the [interactive project map](#)

- View information on [rail trail access](#) during construction
- **Field outreach representatives** will be in touch with notices updating you on construction activities.
