

Blue Care[®] Elect Preferred

Town of Hudson

The Plan Sponsor believes that this is a “grandfathered health plan” under the Patient Protection and Affordable Care Act (the Act). As permitted by the Act, a grandfathered plan can preserve certain basic health coverage that was already in effect when that law was enacted. Being grandfathered means the plan may not include certain consumer protections of the Act that apply to other plans, such as providing preventive health services without any cost sharing. However, a grandfathered plan must comply with certain other consumer protections of the Act, such as the elimination of annual and lifetime limits on most benefits.

Questions about which protections do or do not apply, and what causes a plan to change from grandfathered health plan status, can be directed to the Plan Administrator at **1-978-568-3272**. You may also contact the Employee Benefits Security Administration, U.S. Department of Labor at **1-866-444-3272** or www.dol.gov/ebsa/healthreform. This website has a summary of the protections which do and do not apply to grandfathered health plans.

 This health plan meets Minimum Creditable Coverage Standards for Massachusetts residents that went into effect January 1, 2014, as part of the Massachusetts Health Care Reform Law.

Your Choice

When You Choose Preferred Providers

You receive the highest level of benefits under your health care plan when you obtain covered services from preferred providers. These are called your “in-network” benefits. See the charts for your cost share.

Note: If a preferred provider refers you to another provider for covered services (such as a lab or specialist), make sure the provider is a preferred provider in order to receive benefits at the in-network level. If the provider you use is not a preferred provider, you’re still covered, but your benefits, in most situations, will be covered at the out-of-network level, even if the preferred provider refers you.

How to Find a Preferred Provider

To find a preferred provider:

- Look up a provider in the Provider Directory. If you need a copy of your directory or help choosing a provider, call the Member Service number on your ID card.
- Visit the Blue Cross Blue Shield of Massachusetts website at bluecrossma.com/findadoctor

When You Choose Non-Preferred Providers

You can also obtain covered services from non-preferred providers, but your out-of-pocket costs are higher. These are called your “out-of-network” benefits. See the charts for your cost share.

You must pay a calendar-year deductible before you can receive coverage for most out-of-network benefits under this plan. The calendar-year deductible begins on January 1 and ends on December 31 of each year. Your deductible is **\$250** per member (or **\$500** per family).

Payments for out-of-network benefits are based on the Blue Cross Blue Shield allowed charge as defined in your benefit description. You may be responsible for any difference between the allowed charge and the provider’s actual billed charge (this is in addition to your deductible and/or your coinsurance).

Your out-of-pocket maximum is the most that you could pay during a calendar year for coinsurance for covered out-of-network services. Your out-of-pocket maximum is **\$1,000** per member (or **\$2,000** per family).

Emergency Room Services

In an emergency, such as a suspected heart attack, stroke, or poisoning, you should go directly to the nearest medical facility or call **911** (or the local emergency phone number). You pay a copayment per visit for in-network or out-of-network emergency room services. The copayment is waived if you are admitted to the hospital or for an observation stay. See the chart for your cost share.

Utilization Review Requirements

Certain services require **pre-approval/prior authorization** through Blue Cross Blue Shield of Massachusetts for you to have benefit coverage; this includes non-emergency and non-maternity hospitalization and may include certain outpatient services, therapies, procedures, and drugs. You should work with your health care provider to determine if pre-approval is required for any service your provider is suggesting. If your provider, or you, don’t get pre-approval when it’s required, your benefits will be denied, and you may be fully responsible for payment to the provider of the service. Refer to your benefit description for requirements and the process you should follow for Utilization Review, including Pre-Admission Review, Pre-Service Approval, Concurrent Review and Discharge Planning, and Individual Case Management.

Dependent Benefits

This plan covers dependents until the end of the calendar month in which they turn age 26, regardless of their financial dependency, student status, or employment status. See your benefit description (and riders, if any) for exact coverage details.
