Finance Committee Preamble

To The People of Hudson, Greetings:

The Finance Committee has reviewed and recommended all the articles for this Special Town Meeting. We have comments on some of the articles.

**Article 2  FY2018 Budget Adjustments:**
All the listed adjustments will reduce the current fiscal year’s budget by a total of $399,631.25 overall. Revenues were down compared to last year and with the drought we have been experiencing, Water and Sewer revenues were below what was expected. The Finance Committee voted to recommend this article by a 7-0-1 vote.

**Article 6  Stabilization Fund**
This article combines with Article 2 to balance this fiscal year’s budget, and is a legal use of Stabilization Fund money. This appropriation will reduce the tax levy. The tax levy needs to be reduced because at its present level it will exceed the levy limit. This was caused by the temporary reduction in local receipts (water revenue). The Finance Committee recommends this article by a 6-2 vote.

**Article 14  Tax Increment Financing Agreement—CPI Radant Technologies**
This article allows the TIF for Radant Technologies, which already has a facility in Stow, to add a facility in Hudson. Reduction of taxes under the TIF would apply to only the new growth of the company. The Finance Committee vote unanimously to recommend this article.

**Article 15  Gates Pond Cell Tower**
This article would allow the Executive Assistant to enter into a lease agreement with wireless communication companies to put equipment on parcels of land owned by Hudson but located in Berlin. The companies would need approval of the relevant town boards in Berlin. Hudson would receive rental fees from the wireless companies. The Finance Committee voted to recommend this article by a 7-1-0 vote.

**Article 16  Petitioned Article: Amend Zoning By-Laws**
This article is petitioned by a property owner who owns 30.14 acres of land off Murphy road. This land is currently zoned in a M-6 zone. The petitioner is seeking to add a Retirement Community Overlay District for this acreage. This overlay district would allow for housing restricted to ages 55 and over. This allows an option, zoned as Industrial or Retirement Community Overlay District. The Finance Committee voted to recommend this article by a 6-2 vote.

**Article 17  Petitioned Article: Amend Zoning By-Laws**
This article is petitioned by a private property owner. The house and land is on Washington St. next to Dunkin Donuts. The property is currently zoned Single Family Residential and the petitioner seeks to change the zoning for his property to Commercial and to have his property be a continuation of the abutting commercial district, as was recommended in the Town Master Plan. The Finance Committee voted to recommend this article by a 5-2-1 vote.

Respectfully Submitted,
The Finance Committee:
Stephen Domenicucci, Chairman, Robert Clark, Vice Chairman, Claudinor Salomão, Barbara Rose, Manuel A. Chaves, Andrew Massa, Dolores Sharek, Sam Calandra, Guy Beaudette

INTRODUCTION TO TOWN MEETING
The Town Meeting is a deliberative assembly, charged with considering a number of questions of varying complexity in a reasonable period of time, and with full regard to the rights of the majority.

AUTHORITY
The three elements of authority at Town Meeting are a quorum of 150 registered voters or more, the Moderator and the Town Clerk. The Moderator presides at and regulates the proceedings, decides all questions of order, and makes declarations of all votes. No one may speak on an issue without being recognized by the Moderator. It is his responsibility to approve the distribution of materials, and persons wishing to do so must seek his permission. The Moderator appoints Tellers and alternates for the purpose of counting votes of the meeting.

THE WARRANT: All matters to be considered at Town Meeting must be published in the Town Meeting Warrant, which is the responsibility of the Board of Selectmen. The Finance Committee reviews the warrant, making recommendations on items of business to be presented. In accordance with the By-Laws, all articles in the Warrant are considered in the order in which they appear in the Warrant, unless the Town Meeting votes otherwise, after reasons have been stated. The Moderator has full discretion to decide whether or not the motion to change the order of articles will be entertained.

PARTICIPATION: All remarks should be limited to the subject then under discussion. It is improper to indulge in references to personalities. The Moderator may request any person to keep silent. If after warning from the Moderator, a person refuses to be silent or persists in other disorderly behavior, the Moderator may order a person to withdraw and if he fails to withdraw, may order a police officer to remove such person from the Meeting. Each individual who speaks to the Meeting should make an effort to be as brief as possible out of consideration for others attending the Meeting and the need to give adequate time to all matters coming before it.

CLASSIFIED MOTIONS: Pursuant to section 8 of article II of the By-Laws of the Town of Hudson, when a question comes before Town Meeting certain motions shall be received and have precedence in the following order:

PRIVILEGED MOTIONS: These are motions that have no connection with the main motion before the Town Meeting, but are motions of such importance that they are entitled to immediate consideration. These motions have the privilege of temporarily setting aside the main business before the Town Meeting.

TO ADJOURN (decided without debate); TO FIX THE TIME FOR ADJOURNMENT; SUBSIDIARY MOTIONS: These are motions that are used to modify or dispose of the main motion being considered. Their existence as motions depend on the main motion to which they are subordinate; TO LAY ON THE TABLE (decided without debate); FOR THE PREVIOUS QUESTION (decided without debate); TO COMMIT; TO AMEND; TO POSTPONE INDEFINITELY

All motions may be withdrawn by the maker if no objection is made.

INFORMATION ON MOTIONS: A motion is the means of bringing a proposal or question before the Meeting for consideration. When put forward it is a motion; after is seconded and acknowledged by the Moderator, it becomes the question or proposal; and if it is approved by the Meeting, it becomes a resolution. Generally, no motion shall be entertained unless the subject is contained within a warrant article. The Moderator shall determine whether a motion is within the "scope of the article," that is, whether the warrant gives adequate notice that the action proposed by the motion might be taken at the Meeting. Articles only give notice and do not initiate action; motions do. Motions may be withdrawn; articles may not be.

Some motions avoid a final determination by the Meeting. A motion to commit or refer sends the matter to an existing board or committee or one to be established. The motion to postpone indefinitely disposes of the question without bringing it to a direct vote. The motion to postpone indefinitely should not be confused with the motion to lie on the table which only temporarily delays a vote.

Pursuant to article II, section 3 of the Town of Hudson By-Laws, no vote of Town Meeting shall be reconsidered except upon notice by an individual who voted with the majority thereon given within one hour of
such vote at the same or succeeding session. If the individual who gives notice does not immediately make such motion, then a motion to reconsider may be made by another individual voter who voted with the majority.

Pursuant to section 4 of article II, no article in the Warrant shall be again taken into consideration after disposed of unless ordered by a vote of two-thirds of the voters present and voting. Pursuant to section 5 of article II, no voter shall speak more than twice upon any question without obtaining leave of Town Meeting neither except to correct an error or explain a point, nor until all other individuals who have not spoken and so desire have been given the opportunity to speak. Pursuant to section 6 of article II, all motions must be reduced to writing before being submitted to the Town Meeting if required by the Moderator.

Pursuant to section 9 of article II, a motion to receive the report of a committee shall put the report before Town Meeting but not discharge the committee. A vote to accept or adopt such report with or without amendment shall discharge the committee.

Pursuant to section 10 of article II, a 150-voter quorum is required to conduct business at Town Meeting. However, no quorum is needed for a motion to adjourn.

Pursuant to section 11 of article II, articles in a warrant shall be considered in order, except that the Moderator upon request and for reasons stated, may entertain a motion to consider an article out of regular order.

Pursuant to section 12 of article II and in addition to the authority already specified above, the Moderator may administer the oath of office to a town officer chosen at Town Meeting.
